Tourism Facilities

We know that due to Covid 19, events are limited, but when they are allowed again, Yorkton has the amenities to host events of all sizes.

When it comes to hosting an event, whether it's a business meeting, a major convention, wedding, or sporting event, Yorkton has the facilities.

"That's one of the great things about a city like Yorkton. Its small enough anyone coming into an event can find their way

around easily, but we are large enough to have a full range of quality services," said Tourism Yorkton Executive Director Randy Goulden.

Goulden said it starts with accommodations and food.

"Whether you need a room for a night, or fine hotels and motels," she said.

"And our restaurants range from, providing burgers on the go as you travel, to those offering fine dining."

"There are of course private areas in some of the restaurants for small meetings as well."

When it comes to larger gatherings, that perfect wedding, or fraternal convention, Yorkton has the facilities for that too.

The Painted Hand Casino, SIGN on Broadway, St. Mary's Cultural Centre, Godfrey Dean Cultural Centre, Land Titles Building and the City's own Gallagher Centre all have spaces to accommodate gatherings from just a few intimate friends, to a high level business gathering, to provincial conventions.

"We're fortunate in Yorkton to have such a range of facilities," said Goulden. "It has allowed the city to be the site of events from the Parkland Expo and Sunflower Craft Show & Sale, the annual SUN convention and the Saskatchewan Wildlife Federation convention."

Should someone need a little help planning an event in the city, Tourism Yorkton can help there as well. They have a Convention and Event Planning Guide and a Wedding Planning Guide on their website; www.tourismyorkton.com.

Planning a visit?

www.tourismyorkton.com

If you have a question regarding the attractions and amenities of the city, or maybe have an idea or an event you'd like to submit? Then make sure to visit Tourism Yorkton online. The online service provides a wealth of information including a complete listing of events, attractions, accommodations and even suggestions on how to plan an exciting day or lengthy stay.

And that's only the beginning...look through the website located at www.tourismyorkton.com and you will come across many fun and interesting ideas - whether it's participating in recreation, taking a closer look at Yorkton's history, or going shopping. It's all there and more.

If you are hosting an event in the city, and need some help,

Tourism has an event planning guide that can help you create a memorable event in the city (www.tourismyorkton.com).

If your event happens to be a wedding, you will of course want a day that is forever memorable for the couple, and those sharing the big day. Again Tourism Yorkton can help with its wedding planner guide (www.tourismyorkton.com).

And then for those wanting to explore all the city has to offer a mini-map is featured on the website that can assist you in getting to all the great attractions and businesses. Its unique design will help you plan your stay and will ensure you don't miss out on any of our events and attractions.

It can also help you connect with local businesses who offer unique gift ideas for loved ones back home.

KAHKEWISTAHAW FIRST NATION

Stars for Saskatchewan

The Stars for Saskatchewan season for 2020-2021 has been cancelled due to regulations surrounding the COVID-19 Pandemic. Our concert venue, the Anne Portnuff Theatre is located in the Yorkton Regional High School which is unavailable to community groups at this time, as the Good Spirit School Division is exercising caution in the re-opening of

schools. The Yorkton Arts Council is concerned for our community's health and is committed to providing opportunities to engage with the arts as it is safe to do so. We look forward to welcoming you back and for your continued support for live performance.

Community pARTners Gallery 2020-2021 Schedule:

September 2020 – Back to School with Morgan Sheppard at the Community pARTners Gallery (online instead of at the Yorkton Public Library).

As students head back to school with new limits due to COVID-19 restrictions Morgan Sheppard shares with us her paintings created over the past few months.

September 10 – October 31 – Moving Pictures

OSAC has partnered with the Art Gallery of Regina (AGR) to present the project titled Moving Pictures, curated by Sandee Moore, Art Gallery of Regina. Moving Pictures is on-demand screenings of video works by Saskatchewan artists accessed through a free augmented reality smartphone app paired with AR-enabled posters located in the lobby and window of the Godfrey Dean Cultural Centre and at the Community pARTners Gallery (located in the Yorkton Public Library).

October 1 – November 23, 2020 – Accidental Utopia OSAC Arts on the Move Curated by Lauren Fournier and toured

through the Organisation of Saskatchewan Arts Council's Arts on the Move program.

Sylvia Ziemann: Accidental Utopia is a monographic exhibition of new paintings by Treaty 4/Regina-based artist Sylvia Ziemann. In the world of Accidental Utopia, Ziemann paints a menagerie of fantastical characters- figures that are playful combinations of human, animal, insect, and plant- welcoming us into an imaginative realm. In this world, everything and everyone has its place. The artist affirms a philosophy of simplicity that is restorative, particularly in a contemporary context of pervasive social media and the often troubling news on tv.

December 1, 2020 – January 29, 2021 – “Faith of Our Fathers” A Journey to Jarslaw – by local artists Keith & Debbie Hayward at the Community pARTners Gallery (online instead of at the Yorkton Public Library).

March – April 2021 – Diggers – OSAC Arts on the Move.

Diggers showcases humankind's obsession with altering our habitat for ease of mobility, pleasure, and comfort. Goretzky has a fascination with the heavy-duty equipment that was used in the transformation of Wascana Lake in Regina. The sheer size of the equipment and the magnitude of the project was impressive to the artist; the removal of 1.3 million cubic metres of mud, at a cost of million, was an interesting concept. As a species, we have created machinery specially designed for executing construction tasks like earth moving operations. Although, we are transforming the earth for our own particular tastes, nature is ever present. Nature shows itself as a small plant pushing its way between the cracks in a sidewalk or a jack rabbit bolting across an asphalt parking lot. Nature is ever present and waiting to burst forth and reclaim the world. We walk a thin line with our obsession of transformation and conservation of the natural world which surrounds us. Goretzky hopes that the viewer leaves with a sense of their actions and how we end up reshaping the world.

Grandstand getting major upgrade

Calvin Daniels
Staff Writer

The City of Yorkton is moving forward with an agreement to cost-share rehabilitating the grandstand in partnership with the Yorkton Exhibition Association (YEA).

The request to undertake the partnership was made by the YEA.

Darcy McLeod Director of Community Development, Parks and Recreation, with the City, explained, "following discussions with a local contractor, information was provided to the Yorkton Exhibition that estimated that a maximum budget of \$600,000 would provide a product that meets their needs and that of the community. After further discussion on a funding plan, both Administration and the Yorkton Exhibition have agreed that a 50 per cent cost share is appropriate based on the intent of the Yorkton Exhibition's initial letter of support, in which they requested an interest free loan that would be paid back over a 15 year period," he continued.

While the YEA was ready to pay for 50 per cent of the project costs they had asked for an interest free loan from the City to do so, with the money to be paid back over 15 years, said McLeod.

"They have also committed an additional \$30,000 toward the project to meet their 50 percent portion of the funding required," he added.

As for the City portion McLeod said they can pay for the project "with no impact on taxes or borrowing."

The project is being funded with proceeds from the lease of the land where Tim Horton's is located on the grounds of the Gallagher Centre. This annual lease amount is placed into a

reserve account, with the intent, (which was agreed to by both the City and the Yorkton Exhibition at the time the lease was developed), to invest these funds into improvements for the out buildings and grounds of the Gallagher Centre.

Previous repairs to the Grandstand were funded from this reserve account, as were the improvements made to the Industrial building in 2012/13. A total of \$115,000 is currently in the capital budget for Grandstand repairs.

At the time of the decision Councillor Quinn Haider asked if the lease money could have gone elsewhere.

"It's (the grandstand) the number one priority for us out there (the fairgrounds) right now," said McLeod.

Coun. Darcy Zaharia said he liked the proposal since a city-owned asset was getting an upgrade with the Exhibition Association paying half the cost.

"I very much support it," he said.

Mayor Bob Maloney liked the 50-cent dollars, adding Council has not turned down such projects in his time on Council.

"I think this is a terrific project," he said.

Coun. Ken Chyz wanted to know if the work would be done in time for the summer fair in 2021?

"We're prepared to go to tender this week," said McLeod, adding it is hoped it is done by spring or summer 2021, depending on if the work begins this fall.

Parkland Outdoor Show and Expo 2021

The Parkland Outdoor Show and Expo postponed their 9th annual outdoor event in 2020 because of COVID. We are hopeful 2021 will bring us a chance to host our 9th annual event April 17th and 18th, 2021.

The Parkland Outdoor Show and Expo is a premier outdoor event in Canada. The Parkland Outdoor show has been a “must see event” for the outdoor enthusiast. There is something to see for everyone who enjoys the outdoors. The event which launched in 2012, found immediate success because it highlights something many in the region are interested in.

We are hopeful this year's Parkland Outdoor Show and Expo will be held on Saturday, April 17th and Sunday, April 18th, at the Gallagher Center and Yorkton Curling Rink. There is also a special “Kick-Off Party” Friday, April 16th.” The meet and greet gives exhibitors, speakers and the general public a chance to meet, network and share in a laid back setting. We are very happy to offer such an event,” said Darren Wandy Parkland Outdoor Show and Expo President. “In addition to over 100 exhibitors at the show and expo, first class celebrity speakers, our demo areas we also offer a 3-D archery shoot, live product demo area and a Banquet the Saturday evening of the event,” said Wandy.

The Banquet is held Saturday, April 17th, at St. Mary's Cultural Center. Tickets will be on sale starting in December, which makes a great Christmas gift. Entry into the Outdoor Show and Expo is \$10.00 at the door per day per person. With your paid entry you are entered in for a chance of some awesome door prizes. The Parkland Outdoor Show and Expo is a non-profit organization. Money raised from the event goes to help raise money for youth archery and the hope of building a multi-purpose facility with the main focus being archery. Wandy states, “Our main focus is kids. To date The Parkland Outdoor Show and Expo has donated over \$100,000 to youth archery programs and related outdoor related efforts.”

Visit our website for speakers and speaker info and updated features that will be at our show. The Parkland Outdoor Show and Expo is a family, age, and gender friendly event! The goal of the Parkland Outdoor Show and Expo is to showcase something for everyone, whether it is the archery, muzzle or

rifle hunter, the trapper, the fishing enthusiast, or even those who just love the outdoors and its activities such as camping and hiking.

For more information contact Darren Wandy at 306-521-0429 or email parklandoutdoorshow@hotmail.com or www.parklandoutdoorshow.com

Easter Seals Snowarama

February 27, 2021 will be the 44th Annual Easter Seals Snowarama in Yorkton!

The Snowarama Committee is working diligently to ensure a safe event within the many restrictions the pandemic has imposed. Details will be announced as the event date gets closer.

John Denysek, Regional Director with SaskAbilities in Yorkton noted, "Since Snowarama began in 1977 over \$2.5 million has been raised for individuals experiencing disability in the province." Participants and riders have travelled from all of the Prairie Provinces and as far as B.C. to attend Snowarama and help people attend Easter Seals Programs. In 2020 we hosted the 43rd Anniversary of Snowarama. It was a wonderful celebration and we are very grateful for the countless supporters that have contributed to Snowarama's long running history; a history founded on the support of riders, donors, volunteers, corporate sponsors, and the media.

In the summer of 2020 we had to pause our in person Summer Fun & Camp Easter Seal programs; there is a saying at camp, "Whether in dark or stormy weather, Camp Easter Seal will keep us together." Virtual programming took place and individuals experiencing disability were still able to enjoy Camp Easter Seal & Summer Fun, visit with friends,

and celebrate summer! We also utilized this time to complete several yard and facility upgrades at Camp Easter Seal.

The funds raised support:

- Camp Easter Seal; a fully wheelchair accessible summer camp

- Summer Fun Program; an urban day camp focused on recreational and leisure activities in the community for children experiencing disability

- Adaptive Technology Services; computers and technology are used to minimize the impact of having a disability.

Snowarama is a Yorkton tradition! For over 40 years riders have collected pledges, rode beautifully groomed and marked snowmobile trails, received sponsored meals and fuel for their sleds, and a ticket to the Awards Banquet. Deana Jesmer, Community Relations Coordinator with SaskAbilities says it is the participants who make the event a success. "The community involvement and continued support have made Snowarama the long term event that it is," she said. "We are proud to report that a handful of riders that participated in the very first Snowarama still ride and have great stories to share. Many of the riders have been supporting Easter Seals for over 20 years and regardless of snow conditions they attend and show such dedication. There are generations of family members that attend-it feels like a reunion each year!"

The event is overseen by a dedicated and diverse group of volunteers who give unselfishly of their time and talents to make the event the success that it is. We are fortunate as a charitable organization to be associated by these outstanding individuals.

Access Communications Water Park

The Access Communications Water Park is a rare oasis for visitors to enjoy.

Located at Yorkton's west end along Broadway Street it features a two-storey waterslide, a wave pool with zero depth beach entry, lazy river, hot tub, steam and sauna rooms and a 25-metre, five lane swimming pool.

An exciting aquatic climbing wall boasts one and a half stories of intense climbing for all ages. The wall offers hours of fun for those who climb to the top – then fall into the deep

water. What other fitness regime can offer this much fun? The wall is open to the public during leisure swim times.

There are a range of admission fees to fit all budgets. With monthly special events and extended leisure swim times on civic holidays it's a great place to spend time with family on a visit to Yorkton or when just stopping through – all you need is a swim suit and a sense of adventure.

More information can be obtained by calling 306-786-1740 or www.gallaghercentre.com

CrokiCurl

If you are seeking something new to try in terms of winter-time fun, then you might want to check out two new crokiCurl locations in the city.

Yorkton Parks and Recreation installed the crokiCurl rings at two locations in the city; Silver Heights Park and Heritage Heights Park.

The rules of the game are pretty straight forward. The game uses what appear to be the rings of a curling sheet, with added 'pegs' that make it closer to the board game crokinole.

Players slide wooden 'stones' and try to get them into a small depression in the middle of the rings, or to knock an opponent's stone out of the rings.

The wooden 'stones' are provided at both locations.

After that it is basically the standard crokinole rules.

The idea for the combined game seems to have started in Winnipeg, but has become popular in a lot of communities across the country.

Yorkton Music Festival

The Yorkton Music Festival Association is a classical music festival associated with the Saskatchewan Music Festival Association. The Yorkton Music Festival is run by a dedicated number of volunteers who are committed to nurturing music in our community. Competition disciplines include piano, vocal, musical theatre, band, choral, strings and speech arts.

Yorkton Music Festival Dates for 2021: March 8 – March 20

Yorkton Cross Country Ski Club Update

The Yorkton Cross Country Ski Club maintains trails on the Deer Park Golf Course during the winter months. With the cooperation of our volunteer groomers and the City of Yorkton the club regularly grooms the trails and opens the clubhouse as a warm up shelter and a place to rent equipment on a first come first serve basis.

While Cross Country or Nordic skiing has always been a great way to get exercise and enjoy the outdoors in the winter. In this pandemic world we are in right now, people are looking for safe activities that can help them get outside while still practising physical distancing. Being that this is easily accomplished while skiing outdoors, many enthusiasts expect this will add to the surge in popularity of cross-country skiing more than ever.

The Yorkton Cross Country Ski Club has over one hundred members and families that get out and enjoy the trails and activities. The club provides a number of opportunities for youth and adults to learn to ski.

Last year over 30 youth participated in the Club's Jackrabbit

Programme. The programme follows Nordiq Canada's programs to teach kids ages 3 to age 18 to ski using many different games and adventures. Each year there are also a few opportunities for field trips to try other nearby locations such as Good Spirit or Duck Mountain as well as a few races for those who want to try the excitement of competition. Children are divided up into four different age groups Bunnies, Jack Rabbit 1&2, Jack Rabbit 3&4, Senior Rabbits and Track Attack groups. If parents are interested in more information about the youth programs, they can email maloff03@gmail.com. Deadline to register for the youth programs is November 12th. For information about our club you can contact the club's President, Bob Purton at 306-782-0701. You can also find out more information and connect with us on Facebook.

As we all try and get out and enjoy our Fall weather, we also know that winter is never far behind in our beautiful country. This year try and get out and enjoy nature and a winter activity. It is a great distraction from the isolation and inactivity that the pandemic has put upon many of us.
