Auditor General's report and audit opinion

I certify that I have completed the audit of the Annual Return for the year ended 31 March 2020 of **Goldcliff Community Council**. My audit has been conducted on behalf of the Auditor General for Wales and in accordance with the requirements of the Public Audit (Wales) Act 2004 (the 2004 Act) and guidance issued by the Auditor General for Wales.

Audit opinion: Qualified

Except for the matters reported below in my Basis for Qualification, on the basis of my audit, in my opinion no matters have come to my attention to give cause for concern that, in any material respect, the information reported in this Annual Return:

- has not been prepared in accordance with proper practices;
- that relevant legislative and regulatory requirements have not been met;
- is not consistent with the Council's governance arrangements; and
- that the Council does not have proper arrangements in place to secure economy, efficiency and effectiveness in its use of resources.

Basis of Qualification

Accounting Statement

I am unable to conclude whether or not the Accounting Statement properly/fairly presents the Council's receipts and payments/income and expenditure and financial position:

- The Council has not provided a complete explanation for significant variances within the year.
- The Council has not provided adequate accounting records, the Council has not provided a bank reconciliation that reconciles to the annual return.

Other matters and recommendations

I draw the Council's attention to the following matters and recommendations which do not affect my audit opinion but should be addressed by the Council.

Preparation and approval of accounting statements

The Council has consistently failed to meet its responsibilities regarding the audit of accounts from 2019-20 up to and including 2023-24. Specifically, the Council failed to prepare the 2019-20, 2020-21, 2021-22, 2022-23 accounts until February 2024.

Information required for audit

In our audit notice we specify what information the Council must provide for audit. To avoid additional audit fees, it is essential that the Council provides all information requested with its initial submission. We inform the Council of our core information needs in advance.

Negative assertions

The Annual Governance Statement sets out the expected minimum standards for local councils. We draw your attention to the Annual Governance Statement whereby the Council has stated a negative response to multiple assertions. We recommend that the Council makes the necessary improvements to its arrangements to address the deficiencies it has identified, when the Council has stated a negative to response within the Annual Governance Statement the Council must make appropriate disclosures within the annual return as to why it has made the negative assertions.

Minor error in accounting statement

There is a minor error in the Accounting Statement, the Council has not included a figure within line 11. We recommend that the Council checks the arithmetic and consistency of the Accounting Statement prior to approval.

There are no further matters I wish to draw to the Council's attention.

 Richard Harries, Director, Audit Wales For and on behalf of the Auditor General for Wales	Date: 26/02/2025
