Case Study: SiteMinder

Client: SiteMinder

Region: EMEA

Services: Workplace Operations & Onsite Employee Experience

Overview: EA Property Services partnered with SiteMinder to manage and optimise workplace operations across all EMEA offices, ensuring efficient, safe, and engaging environments that align with business goals.

Our Approach:

- Workplace Operations: Oversaw day-to-day building operations, managed vendors, facilities managers, and contractors, and ensured compliance with local and regional health and safety regulations.
- Project & Space Management: Coordinated office moves, renovations, and relocations, providing seamless transitions and operational continuity.
- Team Leadership & Employee Experience: Built and led a high-performing operations team while driving employee engagement initiatives, including onsite events, social programmes, and experience-driven activities.
- Budget Management: Collaborated with regional leaders to manage operational budgets and optimise cost efficiency.
-

Outcome:

EA Property Services enabled SiteMinder to achieve efficient, compliant, and employee-focused workplaces, enhancing operational performance, team engagement, and overall business success across EMEA offices.
