

Social club President message

It is getting to be that time of year that the "Snowbirds" are flocking back to Florida. I am so happy and proud of our Summer social club community who provided many fun spring, summer events starting with Memorial Day with our Park veterans recognition, Fourth of July, Labor Day and recently Halloween party. A huge thank you to Lisa & Paul Kerstjens, Laurie Boudreau, for organizing all the Spring and Summer activities, Wanda Stone handling the money, and Kim Davis cooking and running the Memorial Day, Halloween party and Thanksgiving dinners. I have heard from the year round residents how wonderful it has been to be connected year round.

Please check the December calendar for fun upcoming activities and events: Holiday lighting contest, cookie swap with food drive, decorating Volunteer hall with Holiday music, Christmas Eve luncheon and a New Year's Eve party.

I'm looking forward to working with my committee to bring forth fun and informative activities in the new year.

Please support and thank your fellow neighbors who volunteer their time for the park residents. Please don't criticize their efforts, but support them by getting involved. This year we will be holding elections for the Majestic Owners' Board along with the Majestic Park Social Activities Board. I encourage you to dip your feet into the water by attending both Owners' and Social club meetings. Think about suggesting a future program and assist to bring it to fruition. We are always looking for ways to provide relevant and fun activities.

I thank my social club executive board. Without their assistance, it wouldn't be possible to hold as many winter activities.

Vice President: Lynne Hamill
Secretary: Sabrina Reece
Treasurer: Chris Schonblocher
Kitchen coordinator: Kim Davis, crew Mike & Patty Spyers

And last but not least a big great thank you goes to Joyce Matevia who spends many hours keeping us all informed on the Majestic website.
