CATERING FAQs

Do You Offer Delivery?

Yes, we do offer delivery for a fee. If you need delivery, please coordinate it by emailing us.

How Much Cream Cheese/Lox Should I Order?

We suggest 2 oz of cream cheese and 2oz of lox per bagel.

How Many Bagels Should I Order?

We recommend one bagel per person as a starting point.

What Allergen & Dietary Restriction Information Can You Provide?*

Vegan: all bagels are vegan (except egg). We also have vegan cream cheese and some sandwiches can be made vegan.

Gluten: we offer gluten free bagels from Udi's that we can keep individually packaged for safety but there will always be the potential for cross contamination.

Seeds: we cannot guarantee anything is seed free because we use a LOT of sesame seeds and there's always a risk of cross contamination.

Peanuts/Nuts: we have a peanut butter cookie on the menu so there's always a risk of cross contamination. however, there is limited overlap between the bagels and peanut products.

Kosher/Halal: our bagels are made with all kosher ingredients but our facilities are not certified kosher.
