

Do you want to receive the Apostle by snail mail?

Due to the high cost of snail mail, the Shoals Cluster Board has agreed to identify those addresses that are no longer “good”, and remove them from the mail out list. We are asking everyone who wishes to remain on the snail mail list to complete and return this form. You may mail it in (don’t forget the stamp!) or turn one in to Joe McPhail at the next Cluster meeting. It is very important to turn one in, even if you have recently told us that you want to continue with snail mail delivery. This way, we can be sure everyone who prefers snail mail still gets the Apostle.

TO CONTINUE GETTING THE APOSTLE BY SNAIL MAIL, YOU MUST COMPLETE AND RETURN THIS SECTION OF THE FORM

Do you want to read the Apostle online?

You can save the Shoals Cluster a lot of money, and save some trees in the process, by getting the Apostle on line. Each month, a few days before the Cluster meeting, you can read the Apostle online by going to the Cluster website and clicking on the “Newsletter” button. Choose which of the last 12 issues you want to read, and double click it. The last 12 newsletters are available at: shoalsemmaus.com
