The Deposit shall be applied to the final Purchase Price (defined below). Buyer acknowledges that the Deposit is non-refundable in all circumstances. 2. **Purchase Price.** The full purchase price of \$\_\_\_\_\_ (“**Purchase Price**”) is agreed with the balance due in full upon Buyer’s pickup of the puppy/dog. Any shipping and handling expenses are the responsibility of and shall be paid by Buyer. All payments due under this Agreement shall be made in US Dollars and paid to Breeder via Payments through Zelle, Cash or Paypal (Ask for Financing options)
3. **Limited Registration.** The puppy/dog is a purebred \_\_\_\_\_ registered with AKC and is being sold with **Limited AKC Registration**. Breeder agrees to provide Buyer with all AKC registration papers. As such, the puppy/dog is not eligible for exhibiting in Conformation (but may compete in other performance events, such as Agility, Obedience, and Rally). The puppy/dog shall not be bred at any time and if pups are produced, such offspring will not be eligible for AKC registration.
4. **Unauthorized Breeding.** The puppy/dog is being sold solely as a companion and breeding of the puppy/dog is expressly prohibited. If at any time the puppy/dog has produced any offspring, Buyer must pay to the Breeder \$5000 per litter of offspring and all of Breeder’s warranties set forth in this Agreement will become null and void.
5. **Breeder’s Obligations.** Breeder represents and warrants the following:
  - a. **Ownership.** Breeder is the lawful owner of the puppy/dog and has the right to transfer ownership of the puppy/dog to Buyer. Ownership of the puppy/dog will be transferred to Buyer upon Buyer’s payment of the full Purchase Price.
  - b. **State of Health; Short-Term Health Warranty.** The puppy/dog (i) was previously examined by a licensed veterinarian and was found to be in good health at that time and (ii) has had the immunizations enumerated in the health records provided to Buyer. Buyer, at its own expense, must have the puppy/dog examined by a licensed veterinarian within 72 hours for the guarantee in this section to be valid. If, within the Examination Period, a licensed veterinarian finds the puppy/dog to be unhealthy or unfit for sale, the puppy/dog may be returned to Breeder for a full

refund of the Purchase Price. The veterinarian must provide a written statement deeming the puppy/dog “unfit for purchase”, which must be sent to Breeder within 48 hours of the veterinary examination. The foregoing guarantee expressly excludes any health issues caused by Buyer’s ill-treatment, abuse or neglect, any health issues that result from the puppy/dog’s transportation from Breeder to Buyer and all minor illnesses and health issues, including upper respiratory infections, allergic reactions, stress colitis/diarrhea, internal or external parasites or contagious viruses (including canine parvovirus), UTIs, vaginitis or umbilical hernias.

- c. Long-Term Health Warranty. Breeder provides a One-year warranty from the puppy/dog’s date of birth against any debilitating congenital conditions. For purposes of this section, “debilitating congenital conditions” (i) include: Degenerative Myelopathy, Von Willebrand’s Disease, Neo natural Encephalopathy or Hip Dysplasia. Genetic testing was completed as a precaution, but it is not a guarantee that issues cannot arise in the future. Replacement puppy will be selected by the Breeder when a puppy of the same gender is made available. Any health issues must be diagnosed by a licensed veterinarian and a copy of the report must be provided to the Breeder. The Breeder reserves the right to request a second opinion by a veterinarian of their choice at the Buyer’s expense. Please note, umbilical hernias are not a health issue. and (ii) expressly do not include: ear infections, vitamin deficiencies, worms, viral or bacterial diseases, etc. This contract also does not cover development of disqualifying diseases or disorders that are due to negligence, chance or environmental conditions such as teeth issues, cancer, bloat, allergies, vaccinosis, digestive disorders, entropion, etc. As of the date of purchase, the Buyer is solely responsible for all medical or legal costs of the puppy. In the event the puppy/dog exhibits symptoms of a suspected debilitating congenital condition, Buyer must immediately inform Breeder and supply any requested veterinary records to Breeder. Breeder will be given the opportunity to take the puppy/dog to a licensed veterinarian of Breeder’s choice for examination.
- d. Returns/Refunds. If it is determined by a licensed veterinarian that the puppy/dog (i) was “unfit for purchase” or (ii) has a genetic disorder that is identified within the warranty periods described above, the Buyer may a) keep the puppy/dog and receive reimbursement for any veterinary expenses related to the illness provided that such reimbursements will not exceed the Purchase Price amount or b) return the puppy/dog to the breeder transferring AKC registration and receive reimbursement.
- e. No Other Warranties. No other warranties or guarantees, expressed or implied, are made by Breeder, and the puppy/dog is sold and delivered in an “as is” condition, except as expressly and specifically set forth herein.
