LANE HEALTH
Healthier Futures. Healthier Futures.

¹ Lane Health is a financial technology company, not a bank. The Healthcare Spending VISA® Card is issued by Lead Bank pursuant to a license from Visa USA Inc.

² Lane Health does not charge interest on, or an annual fee for, the Healthcare Spending VISA Card. "0% financing" pertains to repayment options that do not charge interest (0% interest) nor fees (\$0 fees). Each Advance can be repaid in full, 4-month term or 12-month term (with a minimum \$3 due each payment period). Transactions other than qualified hospital expenses (based on merchant category code) will be charged an origination fee of 5% and periodic finance fees. The location of the service provider is not determinative of whether a transaction is a qualified hospital expense. Rather, transactions made within or at a hospital (including but not limited to specialists, doctors, pharmacies, etcetera) are determined to be eligible by the associated MCC and not the location of the service provider in the hospital. New Advances, if eligible, can be repaid in full or over 4 installments with no origination or periodic finance fees. Late fees apply. You can review the fee table at <https://lanehealth.com/hsc-lb-fees>
