

Voluntary benefits employees crave. Zero admin employers love!

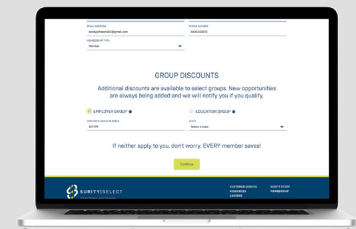

Enrollment, collections, reconciliation, and remittance are all taken care of for you, saving time and money.

Surity Select offers membership-based savings on products and plans such as Critical Illness, Disability, and Medical/Gap.

Surity Select offers world class products and plans at group rates. Benefits like Critical Illness, Disability, and Medical/Gap.

You'll receive an Employer Group Code to access discounts and customized plans you recommend based on the needs of your employees.

We do all the enrolling, collecting, aggregating, reconciling and remitting

Enroll anytime, 24/7/365, with no agents needed—only if you request one. Your employees can sign up from home, weekends, or anytime. You can customize and control which products your employees can choose, or let them explore everything on Surity Select plus a few added choices unique to your group. Surity Select sets up and administers it all.
