DROP OFF

A safe environment is very important to our staff.

Campers 7-13 may be dropped off in the loop in front of the two gymnasium entrances. Campers 4-6 should be walked to the entrance to the right of the gym. Please do not let your child cross the parking lot without an adult walking with them. All campers will enter at the main gate to the right of the gym. There they will check in with their coaches. Signs will be posted for each age group.

Our super cool T shirts will be handed out of the first day of camp for your child.

If a camper is being signed out early and will be returning to camp later that same day, an authorized adult must sign the camper back in.

PICK UP/LATE PICK UP

Those authorized in writing by the parents can pick up a camper from Sports Camp. Anyone other than a parent must be on the emergency contact list. Campers walking home from camp must have a signed note from a parent on file.

Parents are responsible for having their children picked up on time. If you are going to be late because you are stuck in traffic, or an emergency call (818) 298-0591 and we will reassure your child that you are on your way. Parents that are continuously late will incur a charge that will need to be paid in order to continue with the program.

ILLNESS

Children who are ill will not be admitted to camp. Please do not send children to camp with any of the following:

- Fever or chills
- Loss of taste or smell
- Shortness of breath
- Runny nose or eyes
- Continuous cough
- Conjunctivitis
- Vomiting
- Diarrhea
- Severe Pain or discomfort
- Any illness or injury that prevents the child from participating comfortably in activities

If a child becomes ill while at camp, parents will be notified and must pick up their child within one hour. If a parent cannot be reached, staff will call emergency contacts. Campers must be symptom free, without medication for 24 hours before returning to camp.

MEDICATION

If your child requires medication while at camp, it must be noted on your application. Parents must provide medication in its original container labeled with your child's name and with legible directions. Medications will be supervised and stored by our athletic trainer Brenda.

IMMEDIATE MEDICAL ATTENTION

If, in the opinion of the staff, a child needs immediate medical attention, the following steps will be taken depending on the urgency of the situation:

- Staff will contact a parent
- If a parent cannot be reached, a person from the emergency contact list will be contacted
- The emergency medical system 9-1-1 will be contacted

EMERGENCY/DISASTER PLAN

In the event of an emergency or natural disaster, camp staff will remain on site with the children to ensure their safety until they are released to a parent or authorized adult. The ability to contact by phone may not be available, so parents are urged to pick up their children immediately and leave phone lines available for emergency personnel. Please keep your contact information up to date.

STANDARDS OF BEHAVIOR

Campers will be expected to follow the same behavior standards as in a traditional school day. Basic rules such as treating others with respect, following directions from adults, and using equipment properly are all expected to maintain a safe and positive environment. Not following these rules could result in removal from the program.

CELL PHONES/TOYS/ELECTRONICS

Electronic devices and toys are not allowed in camp. Cell phones must remain in the camper's backpack during camp hours and may only be used when given permission by an adult and only if campers need to contact a parent or an emergency contact. Oak Park Agoura Sports Fitness Camp is not responsible for lost or stolen items. Please do not have your child bring Pokemon, Baseball cards or "Pop its" to trade.

LUNCH/SNACKS

Parents will send campers with a healthy lunch, snacks and this year we ask you to bring your own water bottle. We kindly ask that you pack NUT FREE lunches and snacks. Items such as soda, candy and gum are not allowed in camp lunches.
