

What is Medium Duty Truck Tire Coverage?

ProTruck's Medium Duty Road Hazard Agreement

helps protect you from rising repair costs associated with your medium duty truck's tires. With A+ rated customer service, we offer new and used vehicle plans available with flexible coverage terms from 1 to 5 years.

Protection includes:

- Repair or Replacement Coverage for tires when damaged by a covered road hazard (including mounting, balancing, and taxes)
- Covered road hazards: nails, glass, potholes, rocks, tree limbs or any other object or condition not normally found on a public roadway.

AVAILABLE COVERAGE PLANS

Tire

- Tire repair
- Replacement tires, if not repairable
- Mounting, balancing, and valve stems as needed

Emergency Roadside Assistance Reimbursement

- You will be reimbursed for the reasonable costs up to \$250 per occurrence for Emergency Roadside Assistance or towing required as the result of tire damage due to Road Hazard

**Refer to your agreement for specific details.*
