---

**Member Duties:** AmeriCorps VISTA would work individually and in collaboration with JCHA's social service team to leverage existing partnerships/resources, develop new ones, research and explore free and low-cost connectivity/technology vendors, seek out and apply for grants to support an array of related initiatives, assess the impact of existing programs, and design/implement new digital literacy programs. VISTA will help develop innovative ways to design and implement programming that has the ability to be consistent and self-sustaining.

The Jersey City Housing Authority is the state's second largest public housing authority, serving over 18,000 residents. Our goals for this year are:

- Expand programs we have implemented successfully and build upon existing partnerships.
- Conduct research, administer additional surveys, and analyze data related to providing digital access across our communities.
- Develop new partnerships to establish additional programs and opportunities for residents.
