

# LG ESS Home 8

## Energy Storage Systems

Your Gateway to Pure Independence

## Independent Power for Independent Living

The LG ESS Home 8 is a home energy storage system allowing you to self-power your home, day or night. Coupled with solar panels or ac-power, the LG ESS Home 8 battery and storage system can provide reliable, cleaner energy, serving as either your main power source, as a backup that can help offset peak shifts, or to provide power in an emergency backup capacity. With LG ESS Home 8, a more sustainable, independent lifestyle is just around the corner.

## Your Home. Your Way.

For years, LG has focused on providing trusted, reliable, and innovative home appliance and technology solutions, and LG ESS Home 8 is here to offer those same benefits. With LG ESS Home 8, you can remain assured that your system can provide power to your home when needed most, from lights, to appliances, to electronics.

## Powerful Benefits

### Independence

From your energy company and fossil-fuel reliant generators.

### Confidence

That you have backup against outages and are protected against peak-energy prices.

### Sustainability

For your home and your wallet, ESS Home 8 can help you see green.

## Power You Can Depend On

Backed by a limited warranty up to 10 years (parts and labor),<sup>1</sup> the LG ESS Home 8 system can store and provide 14.4 kWh of usable energy, allowing you to use that energy day or night to power your home, in the case of a power outage, and beyond. Compact,<sup>2</sup> wall-mountable, earthquake resistant,<sup>3</sup> and UL certified,<sup>4</sup> the LG ESS Home 8 system was designed with ease-of-use in mind.

## Home Use Cases

### Achieve Independence

With a solar-fed LG ESS Home 8 storage system, you can shed some of your reliance on the grid and help self-power your home for more sustainability.

### Establish Secure, Backup Power

Confidently protect your home and your family against power outages with seamless power backup through LG ESS Home 8.

### Save on Peak Pricing

Concerned about high-energy costs in the summer or winter, or simply trying to avoid rolling blackouts? With LG ESS Home 8 you can offset your energy costs.

### Take Control

With LG ESS Home 8, you can achieve the ultimate, integrated smart home with our ThinQ<sup>®</sup> app. Control your ESS Home 8, schedule your system, and interconnect with all your LG home appliances.

<sup>1</sup>10-years Limited Warranty: Standard limited warranty period is five years parts/energy capacity for qualified products. Upon expiration of original manufacturer's limited warranty, an extended limited warranty may apply (ten years parts/energy capacity) for qualified products registered with LG's ThinQ<sup>®</sup> service and connected to internet. Full limited warranty terms are available at [lgusa.com/ess/warranty](http://lgusa.com/ess/warranty)

<sup>2</sup>27.5" x 8.1" x 49.6" (W x D x H) 364 lbs.

<sup>3</sup>Earthquake resistant to seismic zone 4 as per IEEE 693.

<sup>4</sup>LG ESS Home 8 is UL 9540, UL 9540A, UL 1741, UL 1741SA, UL 1973 certified for continental US & Hawaii.
