Historic Law Enforcement Association hosts its annual Founders Day Celebration for Liberty City community.

The 73rd Annual MCPBA Founders Day Celebration, celebrating 73 years of service to the Miami community, will be taking place on Sunday, October 13th, at Charles Hadley Park. Founded in 1946, the Miami Community Police Benevolent Association is the 2nd oldest historically black organization in the U.S. Since the beginning, MCPBA has always been committed to serving the city of Miami and promoting diversity and inclusion.

The Founders Day Celebration brings together the most notable names in local, state, and national governments. Each year, the MCPBA Founders Day Celebration draws an attendance of over 300 police officers, community leaders, and community members. Attendees are in for a good time filled with food provided by Bon Gout BBQ, fun provided by Millers Game Truck and music brought to you by popular Miami DJ, Ben Hop.

“We’re so excited to continue this historic tradition. The MCPBA has been such an integral part of the Miami community since it was founded. It feels great to host this event in the Liberty City community and be able to open it up to the entire community. It will also be good for building continued camaraderie between Miami police officers and the communities in which we serve,” says Mr. Stanley Jean-Poix, MCPBA 2019-2020 President.

To participate in the event, tickets are available for free on Eventbrite at MCPBA Founders Day Celebration (<https://bit.ly/2kkW7tQ>). All attendees must RSVP by 5 pm on October 12, 2019. To find out more information on the event, and the history of the Miami Community Police Benevolent Association, visit www.MCPBA1946.com.
