DANCE INTENSIVE (HALF DAY)

August 1, 2022- August 5, 2022 1:00-4:00pm

This dance intensive is designed to build core strength, flexibility, and endurance in the young pre-professional student. The students will have 2-3 daily classes, Monday-Friday. The dancers will participate in daily ballet and strengthening classes utilizing a variety of alternative techniques including Pilates and Thera-Bands. The students will also participate in jazz, theater dance, Horton-based modern and hip hop. Along with classes, they will have a variety of workshops such as: dance history, floor barre, stage hair and make-up, and improvisation.

Because it's summer and they will be working so hard, we will also have some fun events planned for the students, from pizza party to water balloon fights!
