NEED NEW DANCE SHOES?

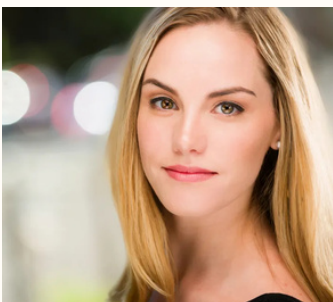

We Can Help!

Is your **little dancer** outgrowing their ballet or tap shoes? Ask your dancer's instructor to help with sizing! We have child-size ballet and tap shoe sizing kits at the studio to help guide you toward the right fit.

Once you know the size, conveniently order through our [Nimbly Dancewear Shop](#) and have your new shoes shipped directly to your home!

Older dancers: While we don't have sizing kits for every shoe style and size, we're always happy to help point you in the right direction when you need new shoes!
