# RYC Employment Service Presents: **CAREER GPS**

## Marketing, Media & Communications

### FOR STUDENTS GRADES 10 TO 12

Students: do you wonder how others have made successful careers out of their passions? Do you like to read and write, but are unsure what career path to choose with those skills? Join us for a Q&A panel discussion with five successful Rye professionals who started out in the liberal arts as they share their stories of exploration, detours, bumps on the road, and personal success.

Stay tuned for future panels on entrepreneurship, the tech biz, science, etc.!
