**PROTECTED.
ALERTED.**

Braukmann L1 WiFi Water
Leak and Freeze Detector.

816-866-3949

You can be confident that your home
is protected from extensive water
damage with early leak alerts.

Protected and Confident

Help protect your home from damaging and potentially costly water leaks.

PRODUCT FEATURES

- **Detection**
Alerts you to water leaks, extreme temperature, and humidity changes out of the set range with push notifications to the Resideo App and email. Additionally, choose to assign others to receive email alerts.
- **Quick setup**
Install the battery-operated device near a water heater, washing machine, sink, or sump pump; then, the Resideo App guides you in connecting to your home WiFi. No hub or base is required.
- **Versatile**
Use the L1 WiFi Water Leak and Freeze Detector as a standalone product or as part of a comprehensive water management solution. Your leak detector can be paired with a Braukmann L5 WiFi Water Leak Shutoff Valve to add automatic shutoff functionality when a leak is detected.
- **Extended reach**
Includes a 5-ft cable that senses water along its entire length. Cover your whole home and add additional devices or extend the sensor cables to expand coverage up to 500-ft.
- **Reusable**
Easily reset your device after it detects a water leak. When your cable is completely dry, plug it back in, and it's ready to use again.
- **Smart home app**
The Resideo App allows you to easily connect to and control your compatible Resideo products. Manage your devices even if you are not home.

SPECIFICATIONS	
Includes	Detector, 2 AA batteries, Screws, Water sensing cable
Sensor Cable	5 ft, 152 mm
Limited Warranty	2 Years

**Shut down
leaks at the
source**

You can pair multiple water leak detectors with the L5 WiFi Water Leak Shutoff Valve to cover various locations around the home for an added level of protection.
