Hi Brian,

Wondering if Chris and I can have a follow up with you?

You mentioned at the end of our meeting sending out a letter to the body - I would like to discuss that some more and hear you out on that. Can I ask you to wait to send that out until we meet?

I also had a couple of follow up questions about some of the issues you brought up.

I am on vacation from 9/4-9/13, so could we set something up after 9/13?

We can come down to you in MC if that helps.

Best Regards,

Guy
