What are your memories worth?

Invite your family and/or friends to bring some of their family memorabilia to your house and learn hands-on how to gather, organize, and preserve your family history.

Topics covered:

- ✓ What to keep and what not to keep.
- ✓ Techniques - organizing, scanning, preserving, storing, and sharing photos, documents, objects, and printed materials
- ✓ Organizing digital files.
- ✓ Restoration - what NOT to do.

Want to get started in genealogy?

Learn how to get started documenting your family history and sharing what you learn with your family or preserving it for the future.

For each two-hour session, maximum of six (6) people, including host. \$25 per person, per session. \$40 for two sessions on same day.

Our ancestors are totally essential to our every waking moment, although most of us don't even have the faintest idea about their lives, their trials, their hardships, or challenges. Annie Lennox
