

# How We Work

1

## Who are we?

A directory and resource for the wellness community.

2

## Who is requested in the directory?

Any person(s) or business that defines their service or products as wellness.

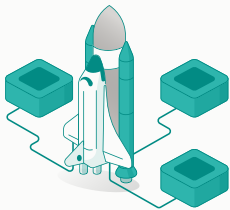

3

## How it works?

Each client has a profile on the XWD website that advertises their service or product.

4

## What next?

The XWD is a source for public to find their products and services and for the clients to connect and collaborate.

5

## Why chose XWD?

XWD's purpose is to be a resource and bring exposure for wellness services/products and to bring the wellness community and the public together.
