\*To request adding a fund to the list, please email [fordhamsjp@gmail.com](mailto:fordhamsjp@gmail.com) or DM @fordhamsjp on IG and Twitter **\*\*We are not granting editing access\*\***

- This Google document was written by Fordham University students. It contains community mutual aid funds, fundraisers, and jail bail funds for protesters. The original intent of this document was to culminate a list of resources for Fordham students to donate to, but this of course is open to the public.
- The second intent of this document was to compile support threads from both the national and regional (NYC) level.
- We cannot take credit for all that has been listed here. The main two documents that you should direct your attention to are listed [here](#) ([Twitter Credit](#)) and [here](#)
