## TUBING (Welded & Seamless)

Stainless  
Duplex  
Super Duplex  
CuproNickel  
Admiralty Brass

Carbon/Alloy  
Monel  
Nickel Alloys  
Hastelloy (C276)  
Titanium

**and others!**

| <i>Common grades we supply</i> | <b>Welded ASTM</b>                           | <b>Seamless ASTM</b>                         |
|--------------------------------|----------------------------------------------|----------------------------------------------|
| Carbon                         | SA-178, SA-214                               | SA-179                                       |
| Low Temp Carbon                | SA-334 1, 3, 6, 7, 8, 9, 11                  | SA-334 1, 3, 6, 7, 8, 9, 11                  |
| Seamless Medium Carbon         |                                              | SA-210 A1, C                                 |
| Carbon Feedwater Heater        | SA-557 A2, B2, C2                            | SA-556 A-2, B2, C2                           |
| Austenitic Stainless           | SA-249 304/L, 309, 310, 316/L, 317, 321, 347 | SA-213 304/L, 309, 310, 316/L, 317, 321, 347 |
| Ferritic Stainless             | SA-268 409, 430, 439                         | SA-268 409, 430, 439                         |
| Titanium                       | SB-338                                       | SB-338                                       |
| Hastelloy                      | SB-626                                       | SB-622                                       |
| Admiralty 443 Brass            | SB-543                                       | SB-111                                       |
| 90/10 Cu-Ni                    | SB-543                                       | SB-111                                       |
| 70/30 Cu-Ni                    | SB-543                                       | SB-111                                       |
| Alloy 825                      | SB-704                                       | SB-163                                       |
| Alloy 800                      | SB-515                                       | SB-163                                       |
| Alloy 625                      | SB-704                                       | SB-444                                       |
| Alloy 600                      | SB-516                                       | SB-163                                       |
| Alloy 400                      | SB-730                                       | SB-163                                       |
| Alloy 200                      | SB-730, SB-468                               | SB-163, SB-729                               |
| Duplex 2205                    | SB-789                                       | SB-789                                       |
