

HUALĀLAI 'OHANA FOUNDATION

2019 *Annual Report*

Our Mission

The Hualālai ‘Ohana Foundation strives to support the educational goals and exceptional medical needs of Hualālai Resort employee families while providing a vehicle to allow residents opportunities to contribute to the well-being and aloha spirit of our uniquely blessed community.

Known widely for its rugged beauty, the ahupua’a of Ka‘ūpūlehu is considered one of the most historic and desirable areas along the Kohala Coast. It’s also home to the Hualālai ‘Ohana Foundation, sharing space with the Four Seasons Resort Hualālai and surrounded by a community of over 350 Hualālai resident households, providing services to residents, guests, and over 1,300 jobs to kama‘āina families.

For many, Hualālai is a winter paradise or summer vacation hub. What many don’t realize is what makes Hualālai so special; the people and families that live and work to maintain a world-class community. In order to sustain this unique culture, Hualālai ‘Ohana Foundation

provides resources for local families, as well as support for young adults moving into post-secondary schooling and then into the workforce.

Because of your generosity, toddlers have entered elementary schools with a love of reading and learning. Children have thrived in their Hawai‘i Island education and begun their adult lives in college. Adults have continued to expand their knowledge and grow their abilities. Precious lives have been saved as illness and injury were overcome. Because of you, our ‘ohana has not only grown, but thrived in the face of adversity.

I can't believe that I've had such kind people who really believe in and support me. Thank you so very much for all of your kindness, from the bottom of my heart.

— Anna

Our Values

Aloha

LOVE + COMPASSION

We give of ourselves when we give from our heart. Hualālai embodies aloha in so many ways, yet most importantly through the aloha spirit of its people.

Mahalo

APPRECIATION

More than merely ‘thank you’, mahalo represents gratitude, appreciation and esteem. This sincere appreciation for the aloha shown by people of Hualālai inspired our homeowners to create the Foundation and continues to guide our mission today.

‘Ohana

FAMILY

We believe the generosity within our uniquely blessed community creates ‘ohana. We are connected and care for each other. We want the best for our family members. We serve those who are ‘ohana in our hearts.

Kōkua

HELP OTHERS

We were created to give help to our ‘ohana and this value continues to guide our actions each day. We strive to help those who wish to help their families grow and thrive. *Kōkua aku, kōkua mai.*

Ho‘okō

COMMITMENT

We are committed to our goal of providing opportunities where many do not exist. We do so with *pono* (integrity) and *lōkahi* (unity).

Inspiring Hualālai's Future

SCHOLARSHIPS GIVE STUDENTS A NEW BEGINNING ...

The Hualālai 'Ohana Foundation is proud to host four different types of college and career readiness scholarship awards for high school seniors looking to attend post-secondary education. These students often learn, grow, develop, and return to Hawai'i Island and give back to their hometown by joining the workforce. Our local keiki deserve to have a good future and our goal is to help them thrive, making it easy for them to access high-quality educational opportunities.

Hualālai 'Ohana Foundation's scholarship program helps students who may not have otherwise had the opportunity to attend college. Each year, many of our scholarship recipients are first generation college students; the first in their family to attend university.

There are seven keiki and youth development programs that help inspire a love for reading, travel and learning as well as inspire children to do well in school through academic merit and honor roll programs designed to motivate.

Supporting bright minds

Though the primary goal of the Foundation's scholarships is to fund thriving students, the scholarships also impact the lives of young community members far beyond the classroom.

Above and beyond the financial support that the scholarships provide, they also serve as a reminder to students that they have the community's support as they enter this next stage in their life.

Our students come back with so much knowledge on how to build a thriving economy that is resilient and such a deep passion for this place they grew up in that they can make a really significant contribution.

As students work hard, receive scholarships, and make their way into the world of higher education, our Hualālai 'Ohana Foundation donors are opening doors for students. Every day we see the way that strategically funding our local students can make a difference in the lives of many.

I also would like to thank you for helping pay for both me and my brother's tuition over the years. It has been such a great big help to my parents. I couldn't be happier with my experiences from K-12 grade and I'm so thankful you guys were by my side from start to finish.

– Bennett

My mom has recently retired from the Four Seasons but worked there for almost 20 years. I am 23 with a Master's Degree in Health Education and for much of my life the Four Seasons has been a source of income for my family and I am grateful for that. The 'Ohana Foundation has helped fund my education from the beginning. In high school, my mom gave birth to my brother Makani who faced a series of severe medical complications that you generously assisted in giving us 7 months of beautiful life with him. This fall I present my research to conclude my education, thank you so much for the financial assistance over the years to help me be where I am today. I hope to give back to my community as much as you and others have given to me. 'Ohana Foundation scholarships and work experience left me debt-free upon graduation.

– Alexandria

Thank you for all the programs and assistance you offer in support of all the employees and families. I am a believer in the value of being a lifelong learner, my teammates in the bakeshop have heard me quote the importance of continuing education. With all the changes that have been taking place around the world, learning new skills is a must. By getting certified through the Security Guard Training program at Hawai'i Community College, I'm expanding my skills for the future.

– Edward

I want to become a neurologist. Every day I wake up with a goal in my mind. I contemplate all the possible ways I can achieve my goal successfully, and I will not stop until it is reached.

– Trinity

Education is the key to growth and improvement. I am encouraged and excited to grow, educate myself and learn new skills.

– Nicole

Your generosity, warmth, and unconditional support couldn't have come at a better time. To lighten my financial responsibilities, the Hualālai 'Ohana Foundation stepped in. Please know that you have given me inspiration and faith in humanity from your kindness.

Today I am cancer free, continue with therapy and recognize that you were a part of my life saving struggle. Mahalo for your thoughtful words and contributions. You are Champions!

- Robert

My family and I would like to express our heartfelt thanks and gratitude to HOF for helping us with my surgical procedures in March 2019. These were a very great help to me and my family financially and morally. Without the help of these generous donors, our life would have been in misery and left in debt for the settlement of my hospital bills. Thank you to the whole Foundation and may God continue to shower his blessing on each one of them so they may continue doing their mission of helping those in need.

Medical Awards

Health & Community Well-Being – Medical Financial Assistance for Our Families...

SERIOUS ILLNESS AWARD

Access to quality healthcare can be limited on Hawai'i Island. In the event of a serious illness, employees and their family often travel off-island to receive care, incurring excessive medical expenses. When this occurs, the Foundation helps ease the burden by assisting with patient co-pays, prescriptions, and travel-related expenses. Proudly, the Foundation has placed no cap on this award and supports employees throughout their time of need.

SURGICAL ASSISTANCE AWARD

Some medical conditions, though not life-threatening, still require necessary treatment. Due to the costs involved, some employees postpone the surgery until they are no longer able to work. To encourage earlier care for these types of non-urgent issues, the Foundation established this award to help with the out-of-pocket costs and travel expenses. The Foundation awards up to \$3000 to assist with the average cost of necessary routine and serious surgeries.

DENTAL ASSISTANCE AWARD

To help support the significant number of employees suffering from a wide range of dental issues, an award specific to dental care was created. Following similar guidelines to the Surgical Assistance Award, this helps with the high cost of urgent and necessary dental procedures. The Foundation awards up to \$2000 to address the growing cost of crucial dental treatments.

One of the things I love about Hualālai is that it goes beyond the norm to make sure that the employees are cared for. In the six years I have worked here I have witnessed several examples of fellow coworkers receiving this extra care from the ‘Ohana Foundation; from scholarship assistance to financial aid for an emergency medical procedure, and even myself when I had to return to school to further my qualifications in order to help our department grow in it’s capabilities. Not only is Hualālai a great place to work because of the location, it cultivates an environment that makes it feel like family. Thank you for your part in making Hualālai feel like family.

– Kelsey

For Our Future

This is a small place where your gift can make an enormous difference on our island. People need to feel a sense of optimism to heal and feel better and that's what Hualālai does – it radiates warmth and hope.

The landscapers, housekeepers, servers, cooks, spa attendants, security guards, concierge and golf maintenance employees are part of our 'ohana. They are our friends and our neighbors – we know of the birth of their children, the joy of their grandchildren graduating from high school, their hopes and dreams – Hualālai s people

aspiring to a vision of the broader community where 'ohana and local families can grow and thrive, inspiring those who make Hualālai such a special place to be.

Its important to know that the things we've done in this world have an impact on someone else.

None of this would be possible without the help that you have given me and my mom for the past 8 years. My mom works 2 jobs to pay for my tuition and other bills and every month I always hear her saying "thank God for the Hualālai 'Ohana Foundation" as she looks at her bills.

I promise to continue to work hard in school and hopefully will make you all proud when I leave to go to college. Thank you again from the bottom of our hearts.

– Zoey

It's the beauty of Hualālai that first drew me here, but it's the people that keep me here.
