Master magician DAN KAMIN responded to the Covid crisis by creating a mind-bending performance of eye-popping online magic called SHAZOOM! It's up close and personal, and it beams from Dan's Magic Parlor directly to your computer screen. Intersted? Just say the magic word--SHAZOOM!-- and tune in. The virtual party runs approximately an hour. You can read more about Dan in The Escape Artist, his highly entertaining account of how the legendary Harry Houdini got him started in magic. It was published in the Pittsburgh Post-Gazette in May. Dan trained Robert Downey, Jr. for his Oscar-nominated performance in Chaplin and created Johnny Depp's physical comedy moves for Benny and Joon. He also played the vengeful wooden Indian that came to life in George Romero's cult horror classic Creepshow 2. He performs in theatres and with symphony orchestras worldwide.

Please Follow the CDC Guidelines for Social Gatherings:

- If you are sick, please stay home.
- People from the same household can be in groups together and don't need to be 6 feet apart - just 6 feet away from other households.
- Wear a mask when interacting with other people to minimize the risk of transmitting the virus.
- Wearing masks is most important when social distancing is difficult.
- Masks are strongly encouraged in settings where individuals might raise their voices, such as shouting, chanting, or singing. Wear masks when less than 6 feet apart from people.

JAZZ
SURVIVORS

The Jazz Survivors are an instrumental quartet that has been playing in South Florida since 1996 at festivals, corporate events, private parties, cultural affairs and clubs. That includes more than 15 times at the City of Fort Lauderdale Sunday Jazz Brunch. The Jazz Survivors mainstay is the standards of the American Songbook. They love the greats of the genre and try to visit them all, from the classics of Gershwin to the sophistication of Miles, the swing of Ellington, the sambas of Brazil, the beautiful ballads and the blazing bebop. The Jazz Survivors like jazz with substance, with strong melodies, with genuine fun and depth to explore.
