Hurricane Milton Update: CLUBHOUSE CLOSURE TODAY at 5:00PM

Please be aware that Hurricane Milton is approaching the West Coast of Florida and is predicted to bring severe wind and rain to our area as early as tonight. CenClub properties are fully prepared for the hurricane in line with our Emergency Hurricane Response Plan.

Given the unpredictable nature of this severe storm, and in prioritizing the safety of our residents and staff, the Clubhouse will close at 5:00pm today, Tuesday, October 8. All CenClub facilities will remain closed until the storm has passed and a safety inspection of all recreation properties is conducted.

Century Diner will remain closed tomorrow, Wednesday, October 9. The restaurant will reopen upon safety inspection, as well.

CenClub is actively monitoring the storm and we will keep the community informed on changes to our schedules and hours of operation as necessary.
