When Nellie learns that the mother of Emile's children was an island native, she refuses Emile's proposal of marriage, unable to overcome the bias with which she was raised. Meanwhile, the strapping Lt. Joe Cable falls in love with a Tonganese girl named Liat, but he, too, denies himself a future due to his own fears that hurt Nellie. When Emile accompanies Joe on a dangerous mission that claims Joe's life, Nellie chooses to embrace a future with Emile and his children, thus confronting and conquering her prejudices.
