

COVID-19 UPDATE

We are proud to say the clubhouse did not close throughout the pandemic, and many amenities are available! Please see below for the most recent measures.

- Masks are mandatory inside the clubhouse. Guests are not permitted on any of the pool decks, or inside the clubhouse.
- The fitness center is operating by appointment at limited capacity. We have enforced social distancing for equipment and disinfecting is done between each session. Sign up for fitness center sessions at www.cenclub.com.
- Satellite Pools are open with limited hours. The clubhouse indoor pool and locker rooms are closed. The clubhouse outdoor pool is open, with Aquacise weekly on Monday through Saturday. Sign up for aquacise sessions at www.cenclub.com/reservations.
- Beginning in May, movies are being played on their normal schedule in the Clubhouse Theater, which is setup for social distancing. There is no food or beverages allowed, except for bottled water. Please visit www.cenclub.com/events for the latest schedule.
- Signage is posted everywhere around the recreation properties with government ordered rules and mandates. These are updated when new ordinances emerge.
- The Art, Clay, Stained Glass, Sewing, Lapidary, and Music studios are open with a limited capacity. Come to the Staff Office for a studio pass. The meeting spaces and card rooms remain closed, except for Card Rom A at limited capacity.
- Hand sanitizer stations have been added all over the clubhouse.
- Shuffleboard, petanque, and grill areas are available without reservations.
