

El Dorado High School Baseball Program

To Our Valued Supporter:

El Dorado Baseball Program has a strong tradition. Our ability to compete at the highest levels is influenced by support from our community, local companies, program families, and alumni of the program.

We would greatly appreciate any monetary or item donations to help meet our annual fundraising goals. The El Dorado Baseball community is working very hard to help this group of committed young men. Contributing to these sponsorship and events is a wonderful way to show support to the community and a great advertising tool. The proceeds from these fundraisers will benefit the Baseball Program in many ways. Your support would go directly to maintaining those facilities, equipment & support for the players. Each year we must account for field renovations, scoreboard maintenance, field equipment, batting cage improvements, fencing and more, all without financial support from our school district.

Please note that we are a non-profit organization, and your donation is tax deductible. We are a 501 (c) (3) Non-Profit Organization, and our Tax ID number is 27-4078505. Every donation will be listed in our Baseball Media Guide and on our website. We have special visibility to ensure you get the most value out of your sponsorship.

We can use donations such as gift cards, restaurant certificates, and gift certificates for almost any service. Items that will sell quickly are gift certificates for services (beauty, car wash, messages, etc.). Larger items are greatly appreciated. Televisions / electronics and sports memorabilia are also popular auction items. Trip donations, like a weekend condo or tickets to sporting events, are also appreciated. We welcome cash donations in any amount, as this money will be used for purchasing larger items for auction.

Please send any monetary donation to the address listed below to the attention of EDHS Baseball Fundraising.

If you have items to donate, please contact the Booster Club President, Mike Karg at (858) 405-6479 or email him (listed below) to arrange for a pick-up or drop off.

Please know how much the El Dorado Baseball Program appreciates your support. We hope we can count on your participation.

Sincerely,
