Introduction.

“InvestorNews has been a valuable partner in Power Metallic’s success. It’s been a **highly effective component of our digital media strategy, delivering a strong return on investment.**” -- Terry Lynch, Power Metallic Mines Inc. (TSXV: PNP | OTCQB: PNP)F)

Welcome to InvestorNews.com

Our goals are clear, straightforward, and reflect what we do best:

1. **Elevate your company to the #1 position on Google News**—maximizing your visibility where many investors seek to learn to fact check you first.
2. **Craft compelling, optimized narratives for your story**, providing text-rich content that online platforms, from Google to ChatGPT, prefer and prominently feature when investors search for information on where to find you.
3. **Amplify your reach by converting all interviews into podcasts**, strategically distributed across all five major podcast platforms to engage an even broader audience.

InvestorNews Inc.

One-Page Recommendation

We provide an insightful review and a clear, one-page recommendation – a launchpad for your digital media success.

Content Review

We analyze your existing architecture – websites, social channels, YouTube presence – and build a customized plan that leverages your strengths.

Optimize Key Touchpoints

We streamline interview schedules and event announcements to enhance your digital presence.

Enhance Current Success

We focus on improving media relationships and optimizing content to ensure alignment with your overall strategy.

Our Approach

Advertising & Custom Branding.

Our New York City-based art director, David Janowitz, with over 12 years of experience at Investor News, will create eye-catching banner ads displayed across the website, linking directly to your site. Your logo will appear on ticker tapes and key areas for maximum exposure. Many love their banners so much, with full content ownership, they can repurpose them elsewhere.
