On 17th July 1917 at the Invitation of Melvin Jones, delegates met in Chicago, The only point of contention was the selection of a name the New Organization. Melvin Jones researched the idea of calling the New Organization Lions. He was convinced that lion stood for strength, courage, fidelity and vital action. On a secret ballot the name LIONS was chosen over several others.

The Lions Emblem

At the 1919 convention, there was a move to change the symbol, but a young attorney from Denver, Colorado rose to speak. His names was Halsted Ritter. "The name Lions stands not only for fraternity, good fellowship, strength of character and purpose , but above all, its combination of L-I-ON-S heralds to the country the true meaning of citizenship: LIBERTY, INTERLENGE, OUR NATION'S SAFETY

Lionism

Objectives of Lionism:

- To create and foster a spirit of understanding among the peoples of the world.
- To promote the principles of good government and good citizenship.
- To take an active interest in the civic, cultural, social and moral welfare of the community.
- To unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan and sectarian religion shall not be debated by club members.
- To encourage service-minded men to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

A Proud History of Service

Since its founding, the Lake Orion Lions Club has built a strong legacy through service, innovation, and deep community involvement. Generations of Lions have worked together to meet local needs while contributing to Lions initiatives around the world.

Milestones Through the Years

- **1938:** The Lake Orion Lions Club was chartered, proudly sponsored by the Pontiac Lions Club.
- **1944:** The club began its first pencil sales fundraiser, supporting Leader Dogs for the Blind and establishing a fundraising tradition that continues today.
- **1980:** The annual Jubilee fundraiser was introduced, greatly expanding the club's charitable reach.
- **1982:** With 120 members, the club earned a **Top 10 Award from Lions Clubs International** after providing CPR training to more than 1,700 Orion-area residents over five years. One long-time member recalled, *"It was inspiring to see our community come together to learn lifesaving skills."*
- **1983:** A second **Top 10 Award** recognized the club's summer camp for blind youth at Franklin Settlement Camp.
- **1995:** Margaret DeGroff became the first woman to join the club, marking an important step toward greater inclusion.
- **2020:** The Lake Orion Lioness Club transitioned into a Branch Club, strengthening the club's service network.

- **2023:** Demonstrating creativity and sustainability, the club repurposed retired mailboxes into Recycled Eyeglasses Collection boxes to support Lions vision initiatives.

Fundraising Traditions

Fundraising has always been central to the club's mission, enabling support for a wide range of charitable causes through innovative and time-honored efforts.

- **Leader Dogs Support (since 1944):** Beginning with pencil sales, the club's partnership with Leader Dog has continued for decades. The club has earned *Top Dog* status for donating at least \$5,000 annually for more than ten years. As Lion Jim Leach, Jr. noted, *"We've been making a difference for those with vision challenges for generations."*
- **Bear Lake Camp Support (since 1981):** The club has provided ongoing financial support and hands-on service to Bear Lake Camp, reinforcing its commitment to youth and accessibility.
- **Jubilee Fundraiser (since 1980):** Created to diversify fundraising, the Jubilee supports multiple charities and reflects the club's expanding community impact.
- **Goodfellow Paper Sale & Christmas Basket Program (since 1948):** In response to community hardship, the club began selling Goodfellow Papers to ensure that *no child went without Christmas*. This effort launched the Christmas Basket Program, which has since helped thousands of families and seniors during the holidays.

Annual Events & Club Traditions

The Lake Orion Lions Club calendar is filled with meaningful events that bring members together while serving the community.

- **Christmas Basket Program (since 1948):** Each year, Lions assemble and deliver holiday baskets to those in need—an enduring symbol of compassion and service.
- **Flare Night on Lake Orion (since 1945):** Originally started by the Rotary Club, the Lions continued the tradition of selling flares that illuminate both the lake and community spirit.
- **Orion Lighted Parade (since 1995):** When the parade moved to nighttime, the club designed and built floats for Santa and Mrs. Claus. Over the years, these included giant sleighs, Christmas baskets, and even a hot-air balloon basket complete with a flaming torch. Lion Jim Leach, Jr. recalled, *“Marching alongside those floats on cold nights brought us closer together.”*
- **Installation Dinner (June):** A celebration welcoming new board members. While smaller today, it remains a cherished tradition—especially during charter anniversary years.
- **Club Picnic (September):** Kicking off the fiscal year, this gathering reunites members after summer and continues a tradition once held at the club’s former property.
- **Club Christmas Party (December):** Evolving from formal dances to spirited auctions, this event inspired the popular *Christmas for Everyone Auction* and strengthens fellowship.
- **Meals at Bear Lake Camp:** For decades, members have prepared and served meals at camp, fostering direct connection with campers, staff, and visitors.

Bear Lake Camp: A Legacy of Inclusion

Bear Lake Camp reflects the Lions' longstanding commitment to youth, accessibility, and opportunity.

- **Early Beginnings:** In the 1920s, Charles A. Dean donated his Lake Orion cottage and 200 acres to Franklin Settlement, creating a summer camp experience for inner-city Detroit children.
- **Serving the Visually Impaired:** Lion Al Kassin and his wife Elsie established a two-week camp for blind and visually impaired children, rallying volunteers and funding to make the program possible.
- **Growth & Relocation:** After the Franklin Wright Camp was sold in the late 1980s, the program relocated several times before settling at Bear Lake in Lapeer County. The former Presbyterian camp was purchased with support from the Lake Orion Lions and Lions Clubs across Michigan.
- **Built by Lions:** Club members helped construct one of the camp cabins, joined by volunteers—including members of the Marine Corps. A veteran Lion shared, *"Watching the camp grow year after year fills me with pride."*
- **Lasting Impact:** Over time, new facilities and activities—such as a ropes course and rock-climbing wall—were added, ensuring the camp remains accessible and enriching for future generations.

Through decades of service, innovation, and fellowship, the Lake Orion Lions Club has built a legacy that continues to inspire. Members—past, present, and future—can take pride in their role in shaping the club's remarkable history and its bright future.

The Lions of Michigan Foundation is a public charity that was created in 1984 to help Michigan Lions Clubs provide community services. We work in partnership with our member Lions Clubs and other organizations to provide disadvantaged individuals and families with access to affordable medical care and services designed to help improve their quality of life.

While our programs encompass many areas, through screening, diagnosis, treatment, education and research, we primarily help underserved populations and financially struggling individuals who require assistance with eye care, hearing aids or an unexpected life event. Our services are offered statewide with a focus on helping Michigan residents succeed academically, develop normally, maintain independence and prosper in life.

We have extended our commitment to sight conservation through countless local efforts and through our international [SightFirst Program](#), which works to eradicate blindness.

Lions serve youth. Our community projects often [support local children and schools](#) through scholarships, recreation and mentoring. Internationally, we offer many programs, including the Peace Poster Contest, Youth Camps and Exchange and Lions Quest.
