On 17th July 1917 at the Invitation of Melvin Jones, delegates met in Chicago, The only point of contention was the selection of a name the New Organization. Melvin Jones researched the idea of calling the New Organization Lions. He was convinced that lion stood for strength, courage, fidelity and vital action. On a secret ballot the name LIONS was chosen over several others.

## The Lions Emblem

At the 1919 convention, there was a move to change the symbol, but a young attorney from Denver, Colorado rose to speak. His names was Halsted Ritter. "The name Lions stands not only for fraternity, good fellowship, strength of character and purpose , but above all, its combination of L-I-ON-S heralds to the country the true meaning of citizenship: LIBERTY, INTERLENGE, OUR NATION'S SAFETY

## Lionism

### Objectives of Lionism:

- To create and foster a spirit of understanding among the peoples of the world.
- To promote the principles of good government and good citizenship.
- To take an active interest in the civic, cultural, social and moral welfare of the community.
- To unite the clubs in the bonds of friendship, good fellowship and mutual understanding.
- To provide a forum for the open discussion of all matters of public interest; provided, however, that partisan and sectarian religion shall not be debated by club members.
- To encourage service-minded men to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## Lake Orion Lions Club Key Milestones

The Lake Orion Lions Club has marked numerous achievements since its inception, growing through service, innovation, and community involvement.

- 1938: The club was established, proudly sponsored by the Pontiac Lions Club.
- 1944: Pencil sales began, with proceeds supporting Leader Dogs—a tradition that laid the foundation for decades of fundraising.
- 1980: The Jubilee fundraiser was launched, expanding the club's charitable reach.
- 1982: With 120 members, the club earned a Top 10 Award from Lions Club International for providing CPR training to over 1,700 people in the Orion area over five years. "It was inspiring to see our community come together to learn lifesaving skills," reflects a long-time member.
- 1983: A second Top 10 Award recognized the club's summer camp for blind youth at Franklin Settlement Camp.
- 1995: Margaret DeGroff broke new ground as the first woman to join the club, opening doors for greater inclusion.
- 2020: The Lake Orion Lioness Club became a Branch Club, strengthening the organization's community network.
- 2023: The club creatively repurposed retired mailboxes as Recycled Eyeglasses boxes, supporting vision initiatives.

### Fundraising Traditions

Fundraising has always been at the heart of the club's mission, with innovative events supporting a wide range of causes.

- Leader Dogs Support (since 1944): The club's partnership with Leader Dog began with annual pencil sales and continues today, earning "Top Dog" status for donating at least \$5,000 each year for over a decade. "We've been making a difference for those with vision challenges for generations," says Lion Jim Leach, Jr.
- Bear Lake Camp Support (since 1981): The club has maintained ongoing commitment to Bear Lake Camp, assisting with both fundraising and hands-on support.
- Jubilee Fundraiser (since 1980): This event was introduced to diversify fundraising and benefit multiple charities, reflecting the club's broadening impact.
- Goodfellow Paper Sale and Christmas Basket Program (since 1948): Recognizing community needs during tough times, the club began selling Goodfellow Papers to ensure "No Child went without a Christmas." The funds launched the Christmas Basket Program, which has since brought holiday cheer to thousands of families and seniors.

### Annual Events

The club's calendar is filled with longstanding events that unite members and support the community, blending tradition with service.

- Christmas Basket Program (since 1948): Each year, the club assembles and delivers baskets to those in need, a program born out of compassion and sustained by dedication.
- Flare Night on Lake Orion (since 1945): Originally started by the Rotary Club, the Lions have continued the tradition of selling flares, lighting up the lake and community spirit.
- Orion Lighted Parade (since 1995): When the parade moved to nighttime, the club crafted the floats for Santa and Mrs. Claus. Over the years, floats featured giant sleighs, Christmas baskets,

and even a hot air balloon basket—famous for its fiery torch. “Marching alongside those floats on cold nights, huddling for warmth, brought us closer together,” recalls Lion Jim Leach, Jr.

- Installation Dinner (every June): The club honors new board members with a celebratory dinner. Once a grand event, it has become more intimate but remains a cherished tradition, growing in scale during charter anniversaries.
- Club Picnic (September): The annual picnic kicks off the fiscal year, bringing members together after summer break. Originally held at the club’s former property, it continues in various locations.
- Club Christmas Party (December): This festive gathering has evolved from “Ladies Night” dances to lively auctions, inspiring the “Christmas for Everyone Auction” and fostering camaraderie.
- Meals at Bear Lake Camp: For decades, club members have cooked and served meals at camp, engaging directly with campers, staff, and visitors—a hands-on tradition that strengthens member bonds.

### Bear Lake Camp History

Bear Lake Camp stands as a testament to the club’s commitment to youth and accessibility. Its story is one of vision, perseverance, and community collaboration.

- Origins: In the early 1920s, Charles A. Dean offered his Lake Orion cottage and 200 acres to Franklin Settlement for a summer camp, giving inner-city Detroit children a taste of nature.
- Serving the Visually Impaired: Lion Al Kassin, with his wife Elsie, pioneered a two-week camp for blind and visually impaired children each August, assembling volunteers and funding to make the experience possible.

- **Growth and Relocation:** After the sale of Franklin Wright camp in the late 1980s, the program moved between several sites before finding a permanent home at Bear Lake in Lapeer County. The property, a former Presbyterian camp, was purchased with help from the Lake Orion Lions and other clubs statewide.
- **Building Together:** The Lake Orion Lions constructed one of the camp cabins, with volunteers—including Marine Corps members—contributing labor and resources. “Seeing the camp grow year by year fills me with pride,” shares a veteran club member.
- **Legacy and Impact:** Over time, the camp added new facilities and activities like a rock-climbing wall and ropes course. The Lions’ efforts ensured the camp’s success and accessibility for future generations.

Through decades of service, innovation, and fellowship, the Lake Orion Lions Club’s legacy endures. Members, past and present, can be proud of their role in shaping the club’s rich history and bright future.

### The Lions of Michigan Service Foundation

The Lions of Michigan Foundation is a public charity that was created in 1984 to help Michigan Lions Clubs provide community services. We work in partnership with our member Lions Clubs and other organizations to provide disadvantaged individuals and families with access to affordable medical care and services designed to help improve their quality of life.

While our programs encompass many areas, through screening, diagnosis, treatment, education and research, we primarily help underserved populations and financially struggling individuals who require assistance with eye care, hearing aids or an unexpected life event. Our services are offered statewide with a focus on helping Michigan residents succeed academically, develop normally, maintain independence and prosper in life.

**Lions have a dynamic history.** Founded in 1917, we are best known for fighting blindness – it's part of [our history](#) as well as our work today. But we also volunteer for many different kinds of community projects – including caring for the environment, feeding the hungry and aiding seniors and the disabled.

**Lions give sight.** By conducting vision screenings, equipping hospitals and clinics, distributing medicine and raising awareness of eye disease, Lions work toward their mission of providing vision for all. We have extended our commitment to sight conservation through countless local efforts and through our international [SightFirst Program](#), which works to eradicate blindness.

**Lions serve youth.** Our community projects often [support local children and schools](#) through scholarships, recreation and mentoring. Internationally, we offer many programs, including the Peace Poster Contest, Youth Camps and Exchange and Lions Quest.

Our [Leo Program](#) provides the youth of the world with an opportunity for personal development through volunteering. There are approximately 191,788 Leos and 7,700 Leo clubs in more than 150 countries worldwide.

**Lions award grants.** Since 1968, the [Lions Clubs International Foundation \(LCIF\)](#) has awarded more than US \$1.3 Billion with over 20,000 grants to support Lions humanitarian projects around the world. LCIF was also ranked the number one nongovernmental organization in a 2007 study by *The Financial Times*.

**Lions are active.** Our motto is “We Serve.” Lions are part of a global service network, doing whatever is necessary to help our local communities.
