Subcontractor Overview:

CLEANING TECHNICIAN

As a Cleaning Technician, you will provide outstanding cleaning services across a variety of environments, including new constructions, renovations, residential homes, offices, move-in and move-out projects, and deep cleaning projects.

You will work both independently and as part of a team to ensure that our clients' spaces are clean, sanitized, disinfected, and presentable. A strong attention to detail, efficiency, and a solid work ethic are essential for success in this role and the ability to grow in the cleaning industry.

Qualifications:

- Previous experience in the cleaning industry is desirable but not a requirement.**
- Must possess a valid driver's license and have reliable transportation.**
- Flexibility to work during evenings, weekends, and holidays as needed.**
- Ability to work both independently and as a member of a team.**
- Strong focus on detail and the capacity to follow instructions precisely.**
- Excellent time management skills to ensure timely completion of tasks.**
- Effective communication skills for interaction with clients and fellow team members.**
- Physical capability to perform repetitive tasks, lift heavy objects, and stand for extended periods.**

Key Responsibilities:

- 1. Perform cleaning tasks according to established standards and protocols, which include but are not limited to:**
 - Effectively removing dust and cleaning floors (vacuuming, mopping, steaming)
 - Cleaning, disinfecting, and sanitizing kitchens, bedrooms, bathrooms, office areas, and common spaces
 - Cleaning glass surfaces, mirrors, and windows
 - Wiping down surfaces, both vertical and horizontal, from top to bottom
 - Restocking supplies as needed in commercial or short-term rental properties
 - Disposing of trash and replacing liners
- 2. Follow specific cleaning instructions and checklists to ensure thorough and consistent results.**
- 3. Adhere to safety protocols and use appropriate cleaning agents and equipment to maintain a safe and healthy environment, ensuring measures are in place to prevent cross-contamination.**
- 4. Communicate effectively with clients, team members, and supervisors to understand specific cleaning requirements, address concerns, and provide excellent customer service.**
- 5. Maintain a professional appearance and demeanor while representing Kiss My Glass Cleaning Service LLC.**
- 6. Report any maintenance or repair issues to supervisors promptly.**
- 7. Follow established procedures for the handling and disposal of cleaning chemicals and waste materials.**
- 8. Stick to project schedules and complete checklists within the designated time frame.**
- 9. Collaborate with team members to ensure an efficient workflow and meet client expectations.**
