By my signature on this form, I hereby consent to all the terms of this certification* and agree to abide by all rules, regulations, and policies of the State of Mississippi**, the Mississippi Department of Agriculture and Commerce, and the Petal Market on Main***.

*Market staff or designated representative may visit any approved producer's facilities to ensure compliance with applications and market regulations. Non-compliance issues will be reported in writing by the Market Manager.

**Section 27-65-103(b), Mississippi Code of 1972, provides an exemption from sales tax for sales of agricultural products only when sold by the producer and when sold in their original state without further processing or preparation. This exemption is applicable only if the producer is selling those agricultural products that he or she has produced. The mixing of products purchased from another producer with products raised by the seller will result in all sales becoming taxable. By signature on this form, I hereby understand that I will be liable for sales tax on all of my sales if I sell any agricultural products that I have not grown or that are not in their original state.

***All participants, upon submitting application, also thereby approve the Petal Market on Main Rules.
