

Roy Bauer, President
West Virginia Cutting Horse Association
103 Heavenly Meadows Lane
Bridgeport, WV 26330

Hello,

My name is Roy Bauer and I am writing on behalf of the West Virginia Cutting Horse Association (WVCHA). Our organization is an affiliation of the National Cutting Horse Association (NCHA).

The bond between people and horses makes this sport special. The WVCHA connects the present with the past by honoring the cutting horse and its origin, which permits us to support ranching and the heritage of the west.

The WVCHA could use your help with the multiple projects and goals the organization has. Many of these projects involve the education of our members through fundraisers, cutting clinics, and promotional events. Other projects involve the welfare of our livestock with educational awareness, and eventually we hope to offer scholarships to help enrich our youth and secure the future for generations to come.

In order to make a difference, we rely on the support of generous individuals and businesses in our community. We would be most grateful if you consider providing to our organization. Your support is critical to the completion of our projects and our growth. With your donations we will be able to continue the organization's outreach of the sport of cutting.

All Board members are volunteer, therefore every cent you donate to the WVCHA goes directly to our members, whether it be awards or cost sharing expenses to hold the shows.

Everyone who become a sponsorship will be honored with a 4x8 banner with your name or company information on it and displayed at all WVCHA events, as well as promoted on WVCHA social media, website, and newsletters. We have different stages of sponsorships.
