

**Hi Ladies!**

**You are invited to a retreat with a theme to uplift our hearts that may be struggling with feeling overwhelmed with all that is going on in our lives. Some may feel overwhelmed by fears, circumstances, depression, etc. Yet as we look to our God and pray... He leads us to know & trust Him as our rock ...and as we take in His Word, we can be overwhelmed by Him & His love, peace, joy, hope, strength and security.**

**This retreat will be held at Grove Hall in beautiful Ocean Grove, NJ. It would be a blessing to have you there! Please pray for this retreat, and please register and plan to attend and be uplifted!**

**Keep looking up to JESUS!**

**Love & prayers,**

**Jesus Fellowship Galvary Chapel retreat team**

## Our retreat teacher – beloved Debbi Bryson

Debbi Bryson considers herself an accidental and reluctant author, Bible Study and conference speaker. But she has a passion to encourage women; young moms, women who are hurting or fearful, discouraged or have lost their way. Confident that God's Word has life changing, healing, comforting truth, she just could not be silent. One her great joys is to teach women practical ways to read through the Bible using the One Year Bible (Tyndale). She shares how to develop a quiet time, learn to hear God's voice in His Word and then apply it. Written studies include The Lord's Prayer and Philippians. Wisdom for Women began as a 2 minute radio program through the Proverbs aired on stations across the country. It then became a daily devotional (Tyndale), translated into Russian and soon Spanish.

Southern California with her husband is home.
