## DOOR HANDLE DESIGN

**Stylish design is part of SALTO's DNA**, so when it comes to selecting **handles for your doors** we believe you should be able to choose from the very best available.

With the objective of always offering more to its customers, SALTO has teamed up with one of Italy's leading handle designers, Colombo Design.

Colombo will make **its best designs available for customers to choose from a high quality selection**

- Suitable for both SALTO XS4 and ÆElement electronic locks range
- Compatible with both ANSI standard and DIN EU door standards.

Superior quality door handles and finishes for the SALTO's electronic locking platform. Find the style you're looking for.
