PUERTAS

DOORS / PORTES

NORMA Doors

Tradición, tecnología y sostenibilidad, se fusionan para crear una puerta, del más alto nivel de calidad. Hace 65 años que empezó a fraguarse toda una vida dedicada a la producción de puertas.

Hoy esa tradición artesana ha evolucionado para que Norma Doors Technologies fabrica puertas con la tecnología más avanzada, con suministros diarios a cualquier parte del mundo. Bienvenidos a Norma Doors, empresa del grupo UNIDOORS.

Tradition, technology and sustainability merge to create a door of the highest level of quality.

65 years ago, a whole life dedicated to the production of doors began to be forged.

Today that craft tradition has evolved so that Norma Doors Technologies manufactures doors with the most advanced technology, with daily supplies to any part of the world.

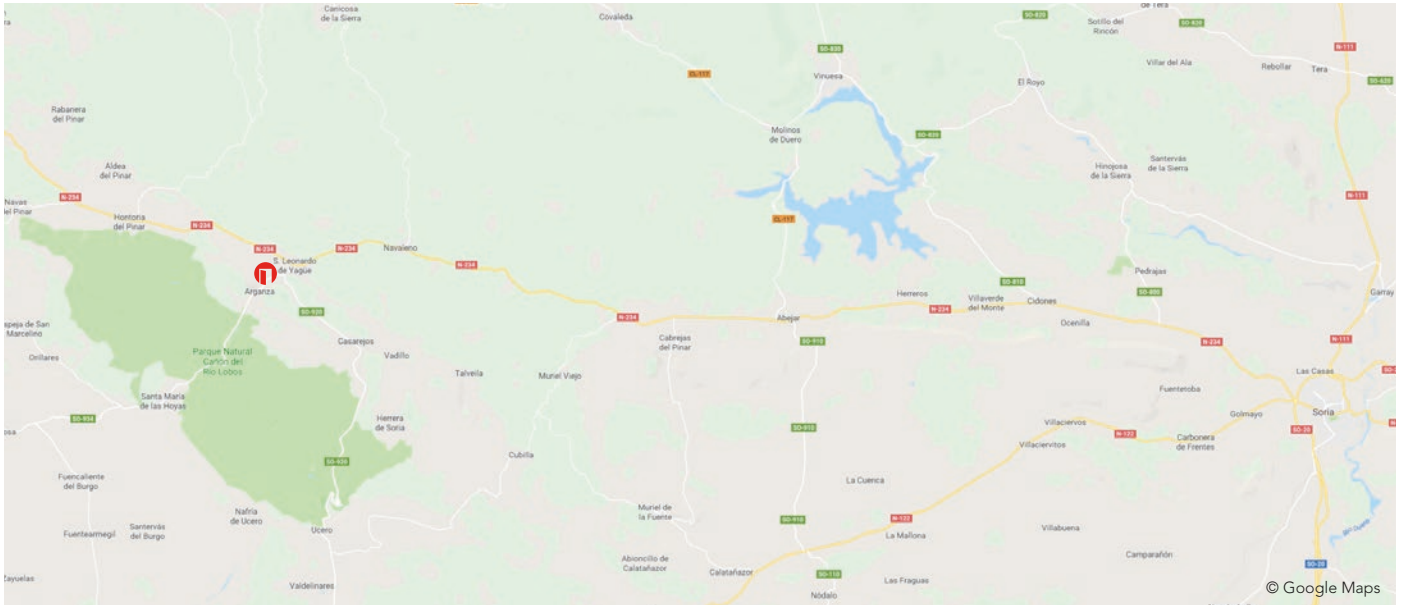

Welcome to Norma Doors. company of the UNIDOORS group.

Tradition, technologie et durabilité se confondent pour créer une porte du plus haut niveau de qualité.

Il y a 65 ans, toute une vie consacrée à la production de portes commençait à se forger.

Aujourd'hui, cette tradition artisanale a évolué pour que Norma Doors Technologies fabrique des portes avec la technologie la plus avancée, avec des approvisionnements quotidiens vers toutes les régions du monde.

Bienvenue chez Norma Doors, société du groupe UNIDOORS.

TIPOS DE INCRUSTACIONES TYPES OF INCRUSTATIONS / TYPES D'INCRUSTATIONS

Mediante una combinación adecuada, de medidas y tipos de apertura (hojas abatibles y deslizantes) nuestra gama de armarios cubre todas las necesidades de la obra nueva y la rehabilitación.

By means of a suitable combination, of measures and types of opening (swinging and sliding doors) our range of cabinets covers all the needs of the new work and the rehabilitation.

Au moyen d'une combinaison appropriée de mesures et de types d'ouverture (portes battante et coulissante), notre gamme d'armoires couvre tous les besoins du nouveau travail et de la réhabilitation.
