## Next To Normal Lighting Research

By Jacob Hollens

Clarity

Characters and Their Colors

Diana- Purple  
Dips into Blue and Red

Dan- Gold Grey  
Gets affected by others colors

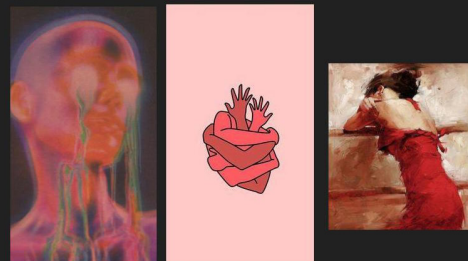

Gabe- Teal  
Transition should go into purple instead of red. But feel more importantly for certain doctor scenes to reflect red or go deeper into Green.

Natalie- Pink  
Goes into Red as she loses herself

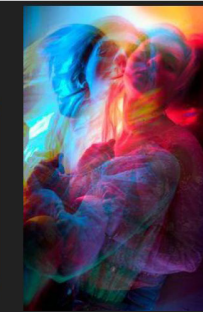

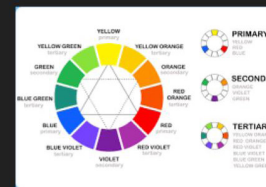

Henry- Orange/Red  
A representation of love or light in Natalie's a life.

Doctors- Green  
Only viewing Diana as her sickness
