The universe with everyone and everything that lives in it, exists under Natural and Spiritual Laws. Natural and Spiritual Laws are the simple workings of how things work. These laws exist on this plane and in the Spirit world. In this interactive workshop we will discuss, understand and put into work the natural laws that help in communication with the Spirit World. Learn about the Law of Vibration, Law of Continuity, Law of Desire, Law of Service, Law of Cause and Effect, and the Law of Attraction. Not only will these laws help in Mediumship but they will also help in daily Spiritual Living and Healing. This workshop will help give all a clearer understanding and tools to work with when living a Spiritual Life.

**Instructor Bio:** Reverend Stacy Kopchinski is an Ordained Spiritualist

Minster, National Spiritualist Teacher, Certified Medium and Commissioned Healer with the NSAC. My favorite question: Is now what? That answer will be different for every single person, even though we are all connected, we have an obligation to ourselves to live the best life we can. How do we live the best possible life for ourselves? By becoming aware and living in harmony with our soul. My passion for helping people and my belief in eternal souls led me to Spiritualism. It is in this that I found my passion for helping others get in touch with their souls. If you have questions or feel that there is something, I could help you with please feel free to reach out and let us cross paths in this journey called life.
