# ANDY'S ROOM

## TDW 2025-Year End Recital

Today, our favorite toys—Woody, Buzz, Jessie and the whole gang—are in for quite the adventure. When they hear the grandparents are coming, the toys spring into action to tidy up the room. But as they clean, they stumble across something unexpected: a mysterious, old doll tucked away under the bed. She's dusty, old... and strangely can't remember who she is..... Or can she?

## **A Special Thank You**

To our incredible dancers and the brilliant Stage Stars cast—

Thank you for bringing this story to life with so much heart, energy, and imagination. Your passion and commitment shine brighter than Buzz Lightyear's space suit. We are endlessly proud of the way you've grown, supported each other, and poured your whole selves into this performance.

To our amazing parents and families—

We are so grateful for your support, encouragement, and the many rides, snacks, and costume preps you've done behind the scenes. Your belief in our program and in your dancer means the world, and we couldn't do this without you.

To our dedicated teaching team—

Your creativity, patience, and nurturing spirit inspire everything we do. Thank you for leading with love, for making rehearsals joyful and safe, and for helping every dancer feel confident and seen.

Together, we've built more than just a performance—we've built a community rooted in kindness, growth, and a whole lot of fun.

With love and gratitude,  
The Turner Danceworks Team
