Matilda

Sweet and bright little Matilda Wormwood, a child of wondrous intelligence, is different from the rest of her family. Misunderstood by everyone and ignored at home, she escapes into a world of reading, honing her skills, and exercising her mind so much that she develops telekinetic powers. When she is sent off to the Crunchem Hall Elementary School headed by the cruel, hulking headmistress, Miss Agatha Trunchbull, Matilda needs all the help she can get. But amid darkness, Matilda finds a single light in warm-hearted Miss Jennifer Honey, her first-grade teacher, who recognizes her remarkable skills--including a very distinctive talent that allows her to turn the tables on the wicked adults in her world. Will they ever see how extraordinary she is?
