Can your business benefit from visual supports or a storybook like this?
Accessing Abilities, LLC creates customized visual supports utilizing evidence-based strategies and incorporating concepts and principles of Applied Behavior Analysis. For more information, visit www.AccessingAbilities.com or contact Rachel Torrance at (216) 469-8398.

My name is Maddy and I'm Jacob. We love getting our hair cut at Cuts N Curls.

**Cuts N Curls is a fun place!
Sometimes it's loud and crowded
but that's OK. When it's busy, we
wait until it's our turn.**

**We love playing with the
trains, legos, basketball and
skeeball while we wait.**

**We play until our name is called.
Then it's time to start our haircut.**

**Carly washes Maddy's hair.
Sometimes the water feels
funny, but I love the smell of the
raspberry or chocolate shampoo.**

Maddy gets to sit in the pink Barbie car and watch a movie. Carly gives her a pretzel.

Jacob chooses a video game to play. He sits in a "big boy" chair.

Carly sprays water to get Jacob's hair wet. It feels like it's raining!

Maddy loves getting her hair brushed and then Carly uses scissors to cut it.

For boys, Carly uses the clippers. She first lets Jacob feel them on his hand. They are not scary, and even though they can be loud, they actually just tickle!

The sensory basket has lots of toys to play with and squeeze. The toys make me feel better.

**It's time for the hair dryer.
Sometimes it can be loud
but it doesn't bother me.**

**We are all finished! My
hair looks great! I'm so
proud of myself!**

**Mom said today we get a
lollipop from the treasure chest!
We also get a sticker!**

**Going to Cuts N Curls is so fun.
We did great getting our
haircut! Mom, dad and the
whole staff are so proud.**
