

## Highland Games Update

The Highland Games will be held on **July 27-28, 2024** at the Enumclaw Event Center (Fairgrounds). The WSSTC will be participating in the Celtic Kennel again this year. I have included in this update:

- **Ticket Information (Due JUNE 1)**
- **Camping Information (OpeLOVEDAD5ns May 23)**
- **Daily Schedule**

### **Tickets**

In order to receive **FREE tickets for entry into the grounds**, I will need the names and email addresses of all people who plan to participate this year and the day(s) you plan to be at the games for the club. You can use the same email for kids, husbands, etc., but I need to have the list by **JUNE 1, 2024**. If you do not get your email to me by then, you can still participate, but you will need to pay gate prices. Please send you names, email addresses and dates to [cudubscotties@outlook.com](mailto:cudubscotties@outlook.com) by June 1.

### **Camping**

The following is camping reservation information from the Celtic Kennel if you would like to camp during this weekend SSHGA

**Camping reservations open this Thursday, May 23, at 8:00 am sharp.**

Please let any of your volunteers who may be interested in camping know. The spots sell out very quickly (sometimes in minutes).

The camping information page appears now to have been fully updated for 2024:

<https://www.sshga.org/camping/>

Celtic Kennel participants will probably want to camp in the North camping area, since load-in access to the Celtic Kennels is from the North side.
