Please listen to this announcement. Prior to the judge providing their remarks momentarily, the PFHA would like to remind everyone that judges' comments are given for educational purposes only and reflect their personal thoughts about a horse and rider's singular performance at a moment in time. Their remarks are not intended to be indicative of a horse's value, the quality of breeding or even future performance. They are simply comments on what that judge saw today and their impressions of the performance.

Welcoming Environment

It is important to the PFHA that everyone involved in our shows and events has the best experience possible. If you have any needs which we could address in advance to make your experience better, please contact Rick Meyer at (314) 520-5707.

If you have any ADA accessibility issues, you can reach the show facility a <http://worldequestriancenter.com/wilmington-oh>

NOTE: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
