

Sheet Metal Fabrication Business for Sale

Exclusive Broker Tony Dong, DYN Realty, Mobile: (917) 971-0188

Located in Queens, NY, 50 years in stainless steel sheet metal equipment fabrication business, specialize in all forms of custom size jobs for food service industries such as hotel, restaurant, school, Church, cafeteria, domestic kitchen counter and cabinet. Last year gross income: \$1,500,000.

The company owns a 10,000 SF of metal workshop and 41,000 SF of industrial warehouse, 23-foot ceilings. The owner plans to retire and seeks a qualified buyer to take over sheet metal equipment fabrication business. Asking price: \$300,000.

The ideal buyer would be full-time owner-operator with background in metal works or a related field. After sold, the owner and team are willing to stay on for a training and transition period.

The buyer's financial statements are required prior to visiting the metal workshop/warehouse and meeting the owner to discuss in details.
