| Nitrogen..................<1 | Complies with OSHA 29 CFR-1910.1200 Section (i)
| Phosphate..................<1 | “Trade Secrets”. Contains no other hazardous components per current OSHA definitions
| Potash......................<1 | |
| Humate..................3-5 | Derived from: Humic acid, naturally occurring sources of nitrogen, phosphorus, and potassium, naturally occurring saponins, surfactants.
| Surfactant Blend.......<1 | |
| Micronutrients.........<1 | |

First Aid/Personal Protection - MSDS should be made available to attending first aid personnel.

Eyes: Plastic goggles and/or full face shield required. In case of contact, flush eyes immediately with much water for at least 15 minutes. Hold eyelids open intermittently for 10 to 15 seconds during flushing to insure contact of the water with all accessible tissue of the eyes and the lids. Seek medical attention if irritation persists.

Skin: Impervious gloves recommended. In case of contact, rinse with cold water if irritation develops, seek medical attention.

Ingestion: Seek medical attention first. Avoid swallowing this or any fertilizer product. If ingested, do not induce vomiting. Drink large amounts water for flushing and dilution purposes.
Ventilation:

Good ventilation is recommended. The use of common sense when using this product should followed.

### Health Information

*Product Intended to be used by personnel with agriculture chemical experience. Follow instructions carefully.*

**Physiological and Health Effects:** Accidental health effects which could occur

**Eyes:** Irritation can occur on contact with concentrated product.

**Skin:** Prolonged contact of the concentrated product with skin may cause irritation.

**Inhalation:** Not likely to occur.

**Ingestion:** Not likely to occur. Nonetheless, in case of accidental ingestion, some gastrointestinal disturbances may occur. Seek medical assistance.

**EMERGENCY AND FIRST AID PROCEDURES:** Please refer to first aid/personal protection

### Physical and Chemical

**Appearance/Odor:** Dark Brown/Mild Odor

**Boiling Point:** ND

**Specific Gravity:** 1.25-1.27 @ 70 F

**Ph:** 7-7.3

**Solubility in water:** 100%

**Vapor Pressure:** ND

### Physical and Chemical

**Stability:** Stable

**Hazardous Decomposition:** None known

**Hazardous Polymerization:** None

**Conditions to avoid:** Incompatible products (none known)
Fire Protection

Product not flammable – will not ignite

Transportation Requirements

DOT Classification: Product not classified as hazardous material

DOT Name: Product not classified as hazardous material / NA

Spill and Leak Procedures

Environmental Impacts: Material is a soil and plant amendment. Product will not cause harm to plant life unless large amounts are spilled. Watering down product will eliminate any potential issues. Once product has been watered down, it does not need to be removed.

Disposal: Treatment, storage, transportation, and disposal must be in accordance with Federal, State/Provincial, and local regulations. Regulations may vary in different locations. Characterization and compliance with applicable laws are the responsibility solely of the generator.

Waiver

DISCLAIMER:

Although the information and recommendations set forth herein (hereinafter “Information”) are presented in good faith and believed to be correct as of the date hereof, the Company makes no representations as to the completeness or accuracy thereof. Information is supplied upon the condition that the persons receiving this MSDS will make their own determination as to its suitability for their intended purposes prior to use. Since the product is within the exclusive control of the user, it is the user’s obligation to determine the conditions of safe use of this product. Such conditions should comply with all Federal Regulations concerning the Product. It must be recognized that the physical and chemical properties of any product may not be fully understood and that new, possibly hazardous products may arise from reactions between chemicals. The information given in this data sheet is based on our present knowledge and shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship. NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OF ANY OTHER NATURE ARE MADE HEREUNDER WITH RESPECT TO INFORMATION OR THE PRODUCT TO WHICH INFORMATION REFERS.
