- Formulated DHA, natural bronzers and cosmetic bronzers to insure the darkest bronzed results imaginable
- Acai Oils provide powerful antioxidants to target the signs of aging
- Hemp Seed Oil will deliver hydration and moisture to the skin
- Blended with natural vitamins to fight the signs of aging

**KEY SELLING STATEMENT**

White 2 Black™ is part of the DC SOHO Collection™. You will notice immediate tanning results and smooth, soft skin! Intense levels of DHA are blended with natural bronzers to help you get three shades darker in just one tanning session and cosmetic bronzers to give an instant bronzed appearance. Natural vitamins combine with exotic oils and extracts to deliver potent skin-firming and anti-aging benefits. The amazing tapioca starch blend bathes the skin in hydration, leaving it soft and silky to the touch. A light Autumn Nights fragrance appeals to every tanner.
