

Cheltenham Top Tipster

To be eligible for the top Tipster competition participants must both Like and Share the 'Willie Wastle's Sports Bar and Restaurant' Facebook page.

Each day of the Cheltenham festival there will be a Facebook post about the competition.

Each player will select one horse from the first six races and comment the horse's name on that day's Facebook post.

The horses must be in order that they race in. To make it easier we encourage you to number the Horses by the race.

- I.e
- 1) Horse in first race
 - 2) Horse in second race
 - 3) Horse in third race
 - 4) Horse in fourth race
 - 5) Horse in fifth race
 - 6) Horse in sixth race

If the horses are out of order or from a different meeting then the points will not be counted.

Points will be awarded as follows:

- 5 points for a win
- 2 points for second
- 1 point for third

Points will be doubled if the odds for the horse are 5/1 or over.

Odds are decided using the At The Races app after the last race.

All entries must be commented on the facebook post before the first race starts.

If there are multiple participants with the same highest point score then a winner will be selected at random.

The winner for that day will receive £25 worth of vouchers for use in the restaurant.
