

# CHELTENHAM TOP TIPSTER

Each player will select one horse from the first six races.

Points will be awarded as follows:

5 points for a win

2 points for second

1 point for third

Points will be doubled if the odds for the horse are 5/1 or over.

Odds are decided using the At The Races app after the last race.

Daily top tipster cards must be filled out, handed into the bar and £1 paid before the first race to play.

Cards must have players name and contact number written on clearly.  
We encourage writing the horses number down to save confusion.

Daily top tipster prizes will be 1st, 2nd and 3rd and the money collected that day will be split accordingly.

## Festival champion

On the first day of the festival players will be given a week long card. This card will be used to determine how many points players accumulate during the festival. An extra 10 points will be awarded to players who are there for all the races of that day.

After the festival is finished and all the cards have been checked the winner will receive the top prize of £150 and runner up of £50.

If there is a tie prizes will be divided accordingly.
